

A Happy Thanksgiving From Pilgrim Place

A Thanksgiving Message

Mark Of Gratefulness Expressed By Action

By Father John D. Harrison,
Rector, St. Mark's Episcopal
Church, Upland

Thanksgiving Day is the National day set aside by our government and observed by all religious bodies as the day when all people return thanks to God for his goodness and for his blessings to the people of this land.

Some people may find it hard to remember the blessings at a time when there is such strife and fighting going on not only in Vietnam and Africa, but in our own country as well. Nevertheless, this Thanksgiving we remember that this land is the most prosperous in its history, and the most prosperous nation in the world. Most of us are blessed by God with an ample supply of food and all the other needs of this life. And yet, at this time there are in this nation and in Biafra and India and other places human beings who are suffering hunger and dying of starvation.

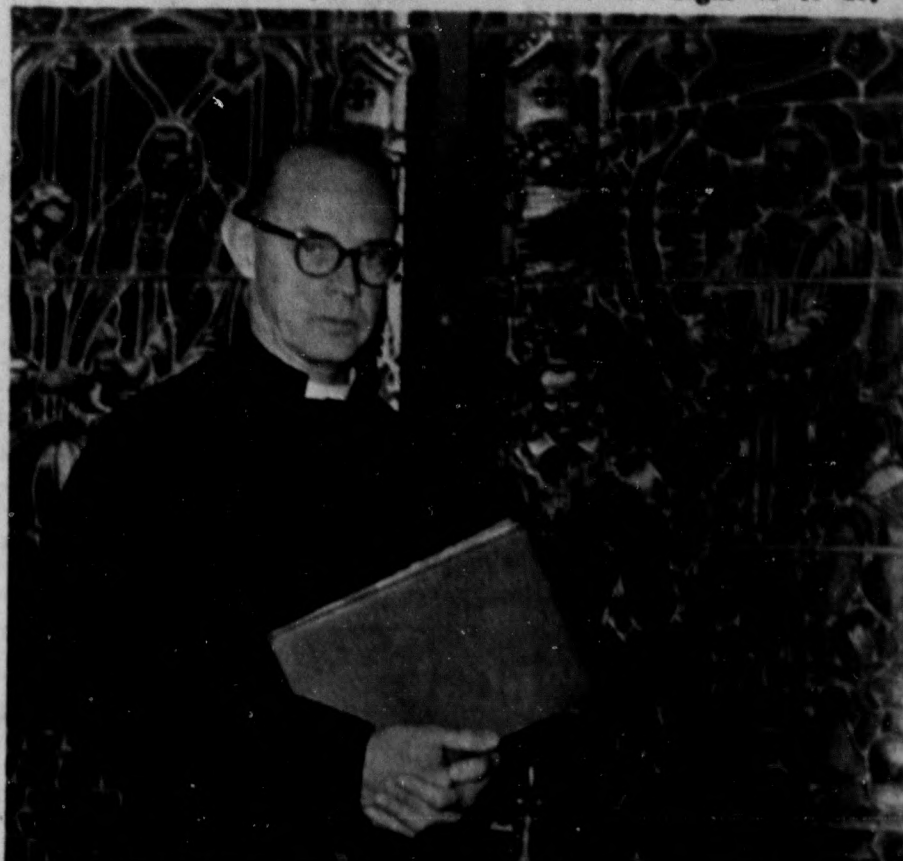

True thanksgiving is expressed not only by words of thanks to the Creator - source of all bounty, but by thankful living. The mark of gratefulness is expressed in action.

Jesus Christ commanded his disciples to "Feed My Sheep". This Thanksgiving we have an opportunity and a responsibility to follow this command literally, and in so doing render thanks to God by sharing our substance

with the hungry, starving people in Biafra.

All religious bodies, Catholic, Jewish and Protestant are engaged in an effort to alleviate these conditions. Will you make

a gift of money for this purpose to your Church? Mark the envelope or the check "For Biafran relief". Give sacrificially - more than you can afford. "Let us give thanks unto the Lord. It is meet and right so to do."

THANKSGIVING MESSAGE -- Father John Harrison, rector of St. Mark's Episcopal Church, pauses before stained glass windows before delivering his Thanksgiving message.

Task Force Mulls Comm'l. Town House Complex Idea

The city's newly formed task force met for an organizational meeting in city hall Monday and drafted plans for a study of a regional type of commercial-apartment town house complex to revitalize the outer fringes of the downtown center.

The area under consideration is about 40 acres between 7th and 8th streets and Euclid and Sultana avenues.

Councilman Ronald Rossitter chaired the meeting attended by Rod Anderson, planning director, Lee Travers, city manager, Fred Blanchard, city engineer, Tony Malone, chamber of commerce manager, C. J. and Ken Hawes and Ralph Miller, realtors.

Chief spokesmen at the meeting were Rossitter and Miller and the discussion centered on the possibility of a regional shopping center with major department stores and a town house type of apartment complexes, thus combining beauty and practicability.

PLAN SURVEY

The plan calls for setting up a survey to see if these needs can be met and forming a committee of interested realtors, city management, and chamber mem-

bers to draw up formal plans with an outside consultant and discussing these plans with homeowners in the area.

"We are committing ourselves to an ambitious plan, there is no doubt, but I think it can be done," Councilman Rossitter told the group. "Our tax base must change. I think proposition 9 showed us we need to realign the tax base from only property taxes to sales tax revenues," he added.

NEED TAX BASE

At this point, Tony Malone, chamber manager, asked about industry as a tax base. To this Rossitter replied, "If it meets the

city standards," Malone suggested both commercial and industry were needed and not just one or the other to bring revenues to the city.

Rossitter then said all of these ideas would not be developed overnight, but would be done on a long range program.

What's Doing In Upland?

By Jenny Kirkpatrick

JINGLE BELLS

"Tis the Season to be Jolly," is almost here. On Dec. 1, up go the Christmas decorations in the uptown mall, and the festive season will get underway. Then on Dec. 6, Santa arrives in Upland at 6:30 p.m., led by the Upland high school marching band, and this will herald the stores staying open every night until 9 p.m. There is no denying it as we sit down this Thanksgiving Day, Christmas is starting us in the face and it won't go away until Dec. 26, so all we can do is enjoy it to the utmost.

THANKSGIVING BLESSINGS

Blessings on you and yours this Thanksgiving Day.

On this day of Thanks, I would like to tell you of one lady who was kind enough to remember others. I was in a local market, and I bought one of my favorite TV dinners, a turkey one, behind me was a nice-looking lady who eyed me and my dinner for a couple of minutes, and finally said, "Are you going to have to have a TV turkey dinner on Thanksgiving?" I replied, "No, my bachelor brother was cooking the dinner this year." She breathed a sigh of relief, and patted me on the shoulder. "If you were going to be alone, rather than have you eat a TV dinner I would want you to join my family for a big turkey dinner with all of the trimmings." She restored my faith in the human race and to her a special blessing, and to you and yours, blessings on this Thanksgiving Day.

Park Issue On Ballot Next May?

The parks and recreation committee will re-study the Park Bond Issue and may call for another election in May, it was decided at its monthly meeting held Monday afternoon in the museum.

The group is traveling to various areas to hold their meetings in order for people in the area to attend the meetings.

Some of the members wanted to review the priorities and program before re-submitting the issue to a vote. A report from the city administration was asked for at the next meeting for the purpose of reviewing the recommendations.

It was agreed that the park bond committee had done a good job, but people were not in the mood to pass bond issues in the November election.

Councilman Ronald Rossitter, chairman, noted a majority had favored the issue, but a two-thirds majority is required to pass it.

A review of park financing will also be undertaken at the next meeting to be held a week earlier than the fourth Monday, the date being Monday, Dec. 16, and it will be held at the Boys Club.

Population Up! Totals 31,299

Upland has gained some more residents since 1966, approximately 3,199, according to unofficial population figures gained by the recent census and released by Elwin Alder, city manager.

The new figures make the overall population total 31,299, as compared to 28,100 in the 1966 census.

This new figure will represent \$42,000 more from the state in revenues.

The census cost the city \$6,000 to conduct, but the monies derived from it will amount to \$78,000. The next national census will be taken in 1970.

ENTRANCED -- Sitting on the curb with his balloon and watching the art festival is Casey Brooks, 20 months. He was one of the 1,000 people who attended the festival Sunday in the Downtown mall. Casey is the son of Mr. and Mrs. Charles Brooks.

Council Asks Border Be Closed To Youths

UPLAND -- The City Council favors the closure of the California-Mexican border to minors in order to combat the use of drugs here.

The resolution passed by the council urges closure to minors unless they are accompanied by parents or responsible adults.

It said the city, within the last two years, has experienced an

outbreak in the distribution and use of dangerous drugs and marijuana by minors "equal to 1,000 per cent in 1967 and 336 per cent in 1968, particularly among students of junior and senior high school age."

The resolution is addressed to Congress, state legislators and other government officials.

Realtor Board In New Office On 'A' Street

Ontario-Upland Board of Realtors officially opened their offices Wednesday night with an open house.

The office, located at 217 E. A street, Upland, formerly belonged to Sunkist Growers, and has been made into an attractive place with an aqua color scheme.

There are five offices, including a board room, executive secretary's office, workrooms, president's office and the Francis Jensen library room.

Some 250 people attended the open house including representatives and presidents of the six boards and 26 districts in the area. They were, Art Steffens, Pomona Board president, and Marilyn Burlott, executive secretary of the Pomona Board; Dan Redman, president San Gabriel Valley board; Tom Peterson, president Azusa-Glendora board; Dan Franco, president, Chino Valley board; Richard Henley, president, Covina Valley board; and Mr. and Mrs. Charles Brown of Pasadena. Mr. Brown is a former president of CREA.

Attending from the local area were: Councilman Ronald Rossitter, City Manager Elwin Alder, Chamber of Commerce Manager Tony Malone, Chamber of Commerce President, Harvey Stone, and Councilwoman Mrs. Zella Stone.

Greeting guests were Milton Stone, president of the Ontario-Upland board, and Marguerite Vincent, executive secretary of the board. Other staff members are Karen Nelsen, listing secretary and Phyllis Blatz, bookkeeper.

Office hours for the new office will be 9 a.m. to 5 p.m., Monday through Friday, and the new telephone number is 982-1311.

Holiday For Most

City offices and most stores were closed Thanksgiving Day. Schools will observe Friday as a holiday, also, but city offices will be open and mail will be delivered Friday. Trash pickup will be delayed a day. Thursday pickup will be made on Friday, and Friday's will be made on Saturday.

UP AND AWAY -- Stuffing packages into a Volkswagen takes a lot of pushing as the members of the Bushannan club know when they tried it recently. The occasion was the mailing of clothing, soap and candy to Tom Hopkinson in Vietnam. He will distribute the clothes to Vietnamese who are in need. Giving that one last push was Becky Rosebe, Karen Smith, Kathy Heid, Sue Yeo and Debbie Thomas.

Bushannan Club Completes Project

A newly formed club on the Upland High School campus has in its short existence started projects that have reached as far as Vietnam.

The Bushannans sponsored by the Upland-Foothill Kiwanis Club has 20 junior class members. Don Frankson from the Kiwanis is their leader. Their first project of the year was to gather old clothes, soap and candy to send to PFC Tom Hopkinson, a graduate of Upland High and a member of the armed forces in Vietnam. His sister, Ellen, is a member of the club.

The items collected will go to benefit the people in the Pao Luh district of Vietnam. He specifically asked for the things because of the need in that area.

The girls spent some of their school holiday time sorting and packing the items which were then sent to March AFB where the 728th Military Air-lift Squadron (reserve) will fly them to Vietnam.

The group is also working with a head start class in the area.

Girls participating are Celia Harris, Carolyn Melilli, Sue Glander, Missy Sumter, Cynthia Brandmeyer, Becky Rosebe, Karen Smith, Kathy Heid, Sue Yeo, and Debbie Thomas, Ellen Hopkinson.

Pair National Officers Of Assistance League

Mrs. Edward W. Novell, an Assistance League of Upland member, has been elected vice-president, public relations, for the National Assistance League. It was announced at the Upland chapter's guest luncheon Nov. 14 at the League Center, Cucamonga.

Mrs. Novell has served in this newly-created position since October, 1967. Her election to the post took place last month at the national League convention in Denver. Mrs. Novell served as moderator for a seminar on public relations at the convention.

Mrs. Joseph A. Powers also is among the Upland chapter members involved in League work at the national level. She will be accepting a position on the national Assistance committee.

The two women were among six Assistance League of Upland members who attended national convention last month in Denver. Also attending were the Mmes. Jack Jones, Jack W. Pierce, Thomas T. Parker and Mary G. Boyd.

Mrs. Pierce, Upland chapter president, summarized League activity for the 90 members and guests attending the guest day luncheon.

League members contribute 10,000 volunteer hours annually to com-

munity projects," she said, "and distribute \$16,000 to \$17,000 annually in the West End area on their projects."

Chairmen of the League philanthropies were introduced, and each League member introduced her guest.

Guests of League at the luncheon were Mr. and Mrs. Jay Dewey Har-nish, Mrs. Anton Blatnick, director of Girls' Club of Cucamonga, which is sponsored by League, and members of the League advisory committee, Milton J. Thurber, William E. Walk, Jr., Charles N. Walker, and the Mmes. Robert Walline, Mary G. Boyd and Gerald R. Westphal.

A total of 298 patron-esses have been recorded thus far following the Oct. 30 Patroness Tea, announced Mrs. J.T. Walker, tea chairman, Mrs. Clifford Downing was her co-chairman for the fall event given in the James West home in Upland.

Mrs. Vernon H. Murray gave a progress report on Mistletoe Ball, scheduled for Dec. 6 at Red Hill Country Club.

Mrs. Alan Swinler has been granted life membership in League, and Mrs. Jack Blair is on active leave of absence. Mrs. Warren R. Savage is provisional chairman for the Dec. 15 Santa Claus, Inc., tea.

Pennies For Pines

Wishes will help to re-plant California's forest lands if the conservation-minded Upland Juniors have their way! The Wishing Well at Bill's Ranch Market in Upland is the designated spot where wishes can be made for only a penny apiece throughout the month of November. Each penny tossed into the well will plant one pine tree, according to Mrs. Verne Sanders, Conservation Chairman of the Junior group. Mrs. Sanders further stated that the "wish" of the Juniors is to find \$68 in the wishing well at the end of the month-enough to plant one acre of pines.

"Penny Pines Plantations are located in near-by all the National Forests in California, making it possible for most organizations to participate in reforesting nearby areas. The Juniors on a statewide basis, feel that our forests are needed for several reasons...for their scenic and recreational values-to provide rest and relaxation for mind and body...to provide shelter and food for wild animals, birds and fish-to protect our watersheds and to prevent loss of top soil and silting of reservoirs and streams...to provide wood for lumber, ply-wood, boxes, poles, quires. Under the Forest Service principle of multiple use, Penny Pines Plantations are managed for all of these values and products of our National Forests. Despite much progress, the reforestation job yet to be accomplished on California Forest lands is extensive, but many small "wishes" joined together can accomplish much," she said.

Banner Of The Braves

by Debbie Cooper

One of the cheers shouted by ALHS students at football games is B-R-A-V-E-S are best, and that's exactly what they're proving to be. All activities that students participate in reflect their enthusiasm and school spirit.

One of the highlights of the school year is the football season. Although the Braves began with a slow start, they proved what a great team they are by defeating the league champions.

COUNCIL THEME This year's Student Council has set a theme for the school year, "The Year of the Happening." The clubs, four classes, and the entire student body have set out to make it just that.

FUND DRIVES The month of November has three fund rais-

ing drives to its credit. It began with the United Fund Drive, and was followed by the annual PTA Membership Drive. The PTA is giving the class with the most memberships a \$50 award for the class treasury. The Future Nurses' Club promoted a Koolaid Drive last week. The Koolaid collected from the first period classes will be sent to the servicemen in Vietnam. A Canned Food Drive, sponsored by the Spanish Club, will be held next month during the first two weeks.

WALL OF FACULTY Student Power left its mark last Thursday as the varsity team beat the faculty team 100 to 51, at the first basketball game of the year.

KING CONTEST Last Tuesday, the Senior girls nominated five senior boys as King candidates. The King will be selected from the five candidates by the Student Body on December 4. The King will then reign over the Christmas Formal.

Teen Challenge Public Meeting, Open House Set

CUCAMONGA - The Teen Challenge organization here will hold an open house Dec. 1 at its Inland Empire center, 9395 San Bernardino road from 1 to 4 p.m.

The public is invited to visit the center and learn about the Teen Challenge program. It attempts to help drug addicts. The center consists of three buildings, which house 24 former addicts and staff members, Teen Challenge workers report.

They also are asking for blankets, beds and other furnishings. Requested are blankets (new or in good condition), drapes, beds, chests and lockers for storing clothes, men's clothing in medium or large sizes and food of any kind.

Teen Challenge's program last year was expanded to include presentations before school assemblies, PTAs and service clubs.

According to a Teen Challenge spokesman, "The purpose of Teen Challenge is to present the addict who wants to stop using drugs with an alternative. When everything else fails, there is hope in complete surrender to Jesus Christ as his divine guide."

Hundreds of former addicts who have made this commitment to Christ, who are no longer the derelicts of society, are now the "good guys." They have one purpose in life - to make other "good guys" out of "bad guys."

Carol Stewart Bride In Nov

Miss Carol Margaret Stewart was united in marriage with Lt. John Howard Hawkins, United States Army, Nov. 10, at the "Little Cathedral of the Foothills", Upland.

Between 400 and 450 guests witnessed the nuptial rite when promises were pledged by the daughter of Councilman and Mrs. Walter E. Stewart of 830 West Sixth street in Ontario and the son of Mr. and Mrs. Fred Hawkins, 625 West Princeton, Ontario.

The Rev. Roy Nelson, pastor of the Temple Baptist Church and long-time friend of the Hawkins family officiated.

Miss Stewart's floor length tulle gown was of heavy de-lustered satin with appliques of alencon lace scattered over the A-line skirt. The lace was seen again at the empire waist, on her high neckline and on the long sleeves. The church-length train came from the shoulders and had the same lace appliques. Tiny seed pearls were embroidered on the lace design at the neckline. Her headpiece was a small cap of lace which held in place the floor-length three-tiered silk imported English illusion veiling. The bride carried a cascade of gardenias, white orchids, stephanotis, fern, with white velvet streamers.

Pointing up the pale pink and garnet red theme of the wedding were ensembles of the four bridal attendants. They wore floor-length gowns of ice pink crepe skirts with garnet red velvet bodices. Their headpieces were of garnet velvet with matching veils. Each attendant carried a cascading bou-

quet of rubrum lilies, red rose buds and leather fern.

Sister of the bride, Miss Shirley Stewart, was honor attendant. Bridesmaid attendants were Miss Karen Imbach of Chino; Miss Cherry Cummins of Upland; and Miss Melissa Horton of Upland.

Stan Kupferer of Ontario was best man. Ushers were Mike Sacco of San Bernardino; Charles Martinez, Mira Loma; James Arrendondo, Salinas and cousin of groom; William R. Lee, Upland; Al Barkley of Chino and Allan Nicola of Ontario.

The color theme was furthered at the reception held in the church Fellowship Hall. Small nosegays of pink elegance carnations, stephanotis, baby breath and garnet colored ribbons were placed on several tiers of the five-tier cake. White net trees were used as was a flower and net covered trellis forming the focal point for the receiving line.

Mrs. William R. Lee, sister of the bride and Miss Jane Forrester circulated both guest books and Miss Bev Bjorkman and Miss Ronda Rude assisted with the wedding gifts. Others assisting at the reception were Miss Norma Hixson, Miss Jan Stamm and Miss Marcia Chappell.

Lt. and Mrs. Hawkins visited the Grand Canyon in Arizona and the Painted Desert while en route to their new home at 1524 Oxford place, Apt. 26, West Manhattan, Kansas.

On the Saturday evening preceding the wedding, Mr. and Mrs. Walter Stewart entertained 37 persons from the wedding party for dinner at

the Stuft Shirt Restaurant in Upland, immediately following the wedding rehearsal. The color scheme for the occasion was pale pink and garnet red.

The new Mrs. Hawkins received her education in the West End, graduating in 1966 from Chaffey high school, where she received the Bank of America award in Music. At Chaffey, Miss Stewart was president of the Philanthropic Tri-Hi-Y, treasurer of her Junior Class, social chairman of the Girls' League, and senior class editor of the school yearbook, the Fasti. She was also active in the Girls' Athletic Association. The bride-elect was a member of the Assistants Auxiliary of the Assistance League of Upland and has been active in Girl Scouts for 10 years. She attended Stephens College at Columbia, Missouri, where she pledged Kappa Alpha Phi Sorority and graduated with honors in June 1968 from Chaffey College. Since graduation she has served in a secretarial capacity both in the local Public Defender's office as well as for the District Attorney.

Lt. Hawkins, who also attended local schools, was graduated in 1963 from the Chaffey high school, where he played varsity football, was a member of the Big "C" Club and the Bible Club. He is a lifetime member of the California Scholarship Federation. During the two years he attended Chaffey College, Lt. Hawkins played varsity football. He is currently stationed at Fort Riley, Kansas and is affiliated with the 24th Infantry Division of the United States Army.

Jarvis' Roses Win Top Show Awards

Upland rose enthusiasts Mr. and Mrs. Don Jarvis had a field day at the 1968 Thanksgiving Rose Show, held Nov. 16 and 17 at the Pageant of Roses Garden, Rose Hills Memorial Park in Whittier.

Don Jarvis took both the top award, and the runner-up prize in the rose specimen class devoted to old roses, the new Inland Valley Rose Society, which he heads up, took second award for a table of roses by a rose society.

In the other division of the show, arrangements, Mrs. Jarvis won the top award for best American Rose Society arrangement by an experienced arranger.

Beautiful fall weather drew record crowds to Rose Hills to see the two-day show, which featured more than 1,000 entries of cut roses and

arrangements from throughout Southern California.

This was the 10th annual Thanksgiving Rose Show, held at the park. The other shows are held annually on Mothers' Day weekend.

Steven Alexander

CUCAMONGA - Army Private Steven R. Alexander, 21, son of Mr. and Mrs. Champ C. Alexander, 7515 Valle Vista, Cucamonga, completed an eight-week field artillery basic course Oct. 24 at Ft. Sill, Okla.

During the course, he was trained in the operation and maintenance of the 105mm and the 155mm towed howitzers. He also received specialized training in firing such weapons as the M-60 machine gun, the M-79 grenade launcher and the 3.5-inch rocket launcher.

Women Hear Information

Paul Pace, cafeteria manager at Chaffey College, Alta Loma, demonstrated the art of garnishing food at the regular monthly meeting of the Cucamonga-Alta Loma Women's Club.

Pace was introduced by Mrs. Lester Adkins, program chairman.

Mrs. Harold Sneathon conducted the session which took place in Sweeten Hall, Cucamonga. Mrs. A. C. Beattie read a Thanksgiving prayer.

The luncheon committee was headed by Mrs. T. D. Walker assisted by the Mmes. Clark Dellinger, R. E. Browne, George Hanlon, Anthony Carollo, John Sibley, Henry Zarzycki, Arthur Twiford, James Bailey, Richard Clabby, Agatha Wise and Miss Ruth Milliken.

Various sections of the club reported on activities that have been held and that are planned for the future.

A card party is slated in January and a rummage sale in February according to Mrs. G. H. Bingham, ways and means chairman.

Mrs. Edward Hamilton presented the budget for 1968-69. Mrs. Rex Fritchey will instruct the art section each Monday at 10 a.m. and Mrs. Leonard Corczyca is in charge of volunteers for work at San Antonio Community Hospital Woman's Auxiliary Gift Shop.

Yesterday the Garden section was to take a winery tour. The Mmes. Herbert Minor, Arthur Allen, Richard Clabby and Toppie Turner were hostesses.

The literature section was entertained recently by Mrs. Ralph Mitchell at her home in Alta Loma. Reviews were given on popular old books.

The "Breath of Life" program by the Alta Loma Firemen was postponed from last Tuesday to sometime in January. This program for the community is being sponsored by the Cucamonga-Alta Loma Junior Women's Club and was scheduled at Sweeten Hall.

Teen Challenge Program Given Charity Juniors

The Teen Challenge story was presented to the National Charity League Juniors, their husbands and guests on Wednesday evening, Nov. 20, in the Hart Fellowship Hall of the First Presbyterian Church of Upland.

The group was fascinated by the panel of three young men who shared with them their experiences with drug addiction and rehabilitation through Teen Challenge.

CHRISTMAS PARTY -- Planning ahead for the Upland Woman's Club's Christmas dance and party are Mr. and Mrs. Jay Hicks, and Mr. and Mrs. Jess Cioffoletti. The annual affair will be held at Dicenso's in Upland.

Woman's Club, Jr. Women Set Christmas Soiree Benefit

Christmas time is the time for giving, but for the Upland Woman's and Junior Women's Clubs, giving is a yearly project. The "Christmas Soiree", December 7, a party to raise money for both clubs, will add in the many philanthropic and community activities in which the clubs are involved.

In the past year, groups which were assisted by the two Upland Woman's clubs included Chaffey Community Cultural Center, (\$1000 dollars), Girls Scouts, Little League, Red Cross, City of Hope, Cancer Fund, CARE, Hospital Auxiliaries, Upland

PTA Council Christmas Fund, Upland City Course and Rose Garden, 3 scholarships for Upland High school students, and Santa Claus, Inc., also Braille typewriters.

More are "Cheer" a project to send packages to service men, carried on by the Juniors. They also have a girls club at Los Olivos. The money donated by the clubs amounts to hundreds of dollars; the time spent on community projects would be many hours.

The clubs hope that not only members but also friends who would like to contribute to the work of

the Upland Woman's and Junior Woman's Clubs will want to buy tickets for this evening party at Dicenso's, 1651 W. Foothill Blvd. A prime rib dinner will be served at 7 p.m., followed by a program by the Upland High school Choral group and ending with dancing to the music of the Bel Aires.

Many door prizes will add to the fun of the evening. Contact Mrs. Neal Van Dorin 982-5806, Mrs. James Smith 982-9634, or Mrs. Jess Cioffoletti 982-2923 for tickets, \$7.50 each. Dress will be formal and semi-formal. The deadline is Nov. 30th.

Gatherings on Thanksgiving

Mr. and Mrs. Howard Lightner will play host to 29 family members at their home in Cucamonga today. Joining them for dinner will be Miss Viola Wheeler, Mrs. Lightner's sister who is administrator of the Woman's Christian Hospital in Multan, West Pakistan; Mrs. Lightner's brother and wife Mr. and Mrs. Orville Wheeler of Pomona; and the Lightner's children and grandchildren; Mr. and Mrs. George Lightner of Cucamonga and family; Mrs. Ruth Cossett of El Monte and three children; Mr. and Mrs. Dale Cook of Lancaster and family; Mr. and Mrs. Dale Jensen of Cucamonga and family; Mrs. Nancy Brownell of Chino and three children and a friend, Mrs. Jones of Los Angeles.

Mr. and Mrs. Lee Travers of Upland will entertain his parents, Mr. and Mrs. J.H. Travers of La Mesa and their daughter Dianne Travers who will be home from the University of California at Santa Barbara.

City Manager and Mrs. Elwin Alder will enjoy the traditional turkey and trimmings at their home with their daughter, Bonnie, and Mrs. Alder's mother, Mrs. Erma Cherry of Alhambra.

Patricia Wayne of Upland will be in Lake Wales, Florida on vacation at her parents home and will have Thanksgiving dinner with them and her brother for the first time in 25 years.

Alice Massey of Upland will be spending the day at home. Ruth and Bob

Lunsford will be her guests and they will be cooking dinner for the grandparents.

Miss Frances Bowman, secretary of the chamber of commerce, will spend Thanksgiving in Montclair.

Jackie Leffingwell, her husband Frank, and children Cynthia and Larry, along with her parents, Mr. and Mrs. Homer Greear, will spend Thanksgiving Day with Frank's parents Mr. and Mrs. Larry Leffingwell at their home in Pomona.

Mary Ann Reiss, her husband Don, and children Jimmy and Yvonne, along with Mr. and Mrs. Ronald Stewart will spend Thanksgiving Day with Don's parents, Mr. and Mrs. Fred J. Reiss at their home in Ontario.

Bygone Styles Highlight Session

Authentic fashions from a bygone time were presented to members of the National Charity League, Foothill Chapter, at its regular meeting Thursday in Griswold's Indian Hill Inn, Claremont.

The program was presented by Goodwill Industries of San Bernardino and Riverside counties. Mrs. Richard C. Garner, program chairman, introduced Mrs. Marilyn Aragon, a member of the board of directors of Goodwill Industries, who was commentator for the "Fashions of Yesterday" event.

Mrs. Aragon, told the chapter that all the fashions were authentic and all came from Goodwill Industries. She said much time elapsed since the completion of many of the costumes and added that it was amazing what could turn up in a Goodwill bag.

Mrs. Leon Presto, in an authentic 75-year-old dotted Swiss, opened the show with a vocal rendition of "Memories." Fashions included the hoop skirt and crinoline petticoat with the Victorian influence popular from 1858 to 1860, the bustle

dress in taffeta 1870 to 1885 with a reticule bag and high button shoes that were in and out of fashion until 1900, an antique lace dress with inserts of lace on the train.

A pure silk black and white gown with a Paris influence and from the Victorian era was worn by Mrs. Walter Saccani. The costume featured a wide brimmed hat trimmed with feathers, high laced shoes, a parasol and a feather boa. Mrs. Aragon said it was about this time that ladies began wearing two or three petticoats instead of the usual six.

Mrs. Douglas Smith appeared in a gay nineties dress, a decolette type of costume with jet beads, feathers, and tiers of ruffles with feathers in her hair.

Appearing in a Victorian nightgown was Mrs. Michael R. Killian. An 1895 model, it had leg-of-mutton sleeves and was made of German knit lace and muslin. Mrs. George Vinnedge was a study in black satin brocade with wide Bertha collar in velvet and a cascade of curls under a close fitting hat.

Another costume featured a boater hat and could have been worn for a Sunday afternoon in the park in the 1890's. It was complete with a hand-crocheted bag used for carrying dancing shoes. Shown also was the maternity wear of 70 years ago and the chambray and linen wash and wear of the 1880's which was laundered with homemade soap in boiling hot suds and scrubbed on a board.

Popular after the first world war was the tunic dress in sheer with the hemline above the ankle. The peach basket hat and pearls completed the ensemble often worn as a summer wedding dress. Mrs. Alan Swinler Jr., modeled the hobble skirt in pure lavender silk with hat of brown ostrich feathers and fur shoulder piece.

The promenade dress with much narrower hem and high waistline in linen, also from the Victorian era, was worn by Mrs. Loren Runner. Also shown was the bloomer style resort wear and bathing suit popular from 1910 until 1914, the touring car costume popular in 1915 in black velvet,

long cape and large wide-brimmed hat with feathers, the garden party dress in beige lace with hat trimmed with flowers and tied under the chin, and for the bird watchers who couldn't wear skirts striding through the woods, the pants suit came in vogue. The one shown was in English tweed and was complete with leather peaked hat, knee socks and oxfords.

Next came the Jean Harlow date dress in an elegant silk velvet print. A cloche hat popular because of the then bobbed hair was worn with it. Mrs. John Tomlinson, depicting the flapper of the roaring 20's modeled a black sequin dress made in Paris, France, and a headache band worn to protect the hair while doing the shimmy.

The grand finale was Mrs. James Bice in an early Battenburg lace wedding gown worn for the first time in 1859.

Providing background selections in keeping with the different eras was Mrs. Hugo Vavrinek at the piano.

Happy Thanksgiving

A WINNER -- Mrs. Donald Jarvis of Upland exhibits her winning rose arrangement at the Thanksgiving Rose Show, held Nov. 16 and 17 at Rose Hills Memorial Park, Whittier. J. L. Seppi, vice president of the show, offers his congratulations.

Teen Challenge Visited By PTA Council Members

Foothill Council PTA met Thursday, Nov. 14 at Alta Loma high school. Meeting was called to order by Mrs. Stanley Hoffman, President of Council.

Pledge to flag was led by Mrs. Sam Murray, President Alta Loma high PTA. Thought for the day was

Hoffman, Council President. Mrs. Philip Savage, Council Vice President, presented the program for the day, members from Teen Challenge of Cucamonga. Cliff Morrison, of Teen Challenge gave a brief message of how Teen Challenge started and

said today there are 26 Centers in America. Three boys from the Challenge gave their history of being drug users and how they overcame it. They were Gary Brewer, Rick Hamilton, and Bob Ruppert. Rev. R. L. Stepp, was also present from the center. Following the Rev. R. L. Stepp, was center. Following the

ing were (back row) Mmes. A. T. Arbezzi, Walter Nichols, Wm. Learned and Milton Hill. (Front row from left), Mrs. Phillip Savage, Cliff Morrison, Mmes. Ken Bishop and Stanley Hoffman.

Women Install

Chaffey Community Republican Women Federated met yesterday at noon at the Upland Inn to install their new officers for 1969.

Mrs. Harry Umhey of Los Angeles, the installing officer, is president of the Southern Division of Republican Women. She also gave a talk on the "1969 GOP Plans."

Heading the Chaffey GOP women next year will be Mrs. Virgil Benton, president; she will be assisted by the Mmes. Bruce Chaffin, first vice president; William Jones, second vice president; N. McConnell, recording secretary; W. Brulte, corresponding secretary and H. B. Jewett, treasurer.

Thanksgiving Themes At PTA Session

A capacity crowd attended the November evening meeting of the Alta Loma Elementary School P.T.A.

Mrs. Buel Anderson, P.T.A. president led a short business meeting followed by a Thanksgiving Program entitled "Give Thanks" put on by the primary grades.

GIRL SCOUT CALENDARS -- Just in time for Christmas are the Girl Scout calendars, sale of which started Fri., Nov. 22 and will continue until Dec. 16. Shown making their first sale are Nancy Karns, Cadette Scout, Troop 1123, Lori Rosenbauer, Junior Scout, Troop 1112, and Elizabeth Cavanaugh, Brownie Scout, Troop 1014. Mrs. Don Harris is the buyer of the calendars.

Girl Scouts Now Selling Calendars

Girl Scouts throughout the thirty-three cities within the jurisdiction of the Spanish Trails Girl Scout Council began their annual Calendar Sale on Friday, November 22nd through Monday, December 16. Thousands of Brownies, Juniors, Cadettes and Senior Girl Scouts from local troops throughout the Council will participate during the drive. The cost of each calendar is 50¢.

Proceeds from the calendar sale will be used by individual troops for purchasing needed troop equipment and financing troop scouting activities. By supporting the girls in this sale, people will be helping the troops in their own local area.

Care of household tools is important. Select fiber brooms, because they wear longer than those made from broomcorn.

Upland High

The Girls' League slumber party will be held Saturday, Dec. 7 in the Upland High gym. This is an annual event sponsored by the Girls' League cabinet. It will be from 9 p.m. to 9 a.m. Movies will be shown and several contests held.

The "Senior '69 Messenger" has a new editor and a new staff. Marty Sellers was appointed ed-

itor Thursday of last week. The previous staff ceased publication of the newspaper because of the apathy shown by the seniors towards the paper. Marty Sellers is very optimistic about regenerating interest in the publication.

Altar Society Sets Yule Gift Event

The annual Yule Party and gift exchange for the Altar and Rosary Society of Sacred Heart Catholic Church, Cucamonga, will take place Dec. 3. Special guests for the event, which begins at 7:30 p.m. in the church hall, will be the Sisters and teachers of the Anton Martin Slomsek school. Mothers of school children attending the school are also invited to attend the festive evening.

Hold out on the phone company.

After 7 p.m., you can call anywhere in the country for a dollar.

All long distance callers worth their salt know that calling in the daytime is more expensive than calling in the evening hours. (Actually, most people call during the day, when we charge our regular rates.) But long distance callers aren't interested in explanations. The only thing they care about is calling for

the cheapest possible price. So to get more for their money, they devised a scheme you might call The Waiting Game. The idea is to do just what the name implies: Wait and wait and wait. Because they know if they can hold out till after 7 p.m. or any time of the day on Saturday

or Sunday, they can call anywhere in the country for a dollar or less. Which just goes to prove that anybody can afford to call long distance. Provided they know how to play The Game.

4-H Club Visits Local Hospital

Recently the Upland Ambassador's 4-H club visited San Antonio Community Hospital. Two nurses led the club on a tour of the facility.

Shortly after that, the club held its monthly meeting at Baldy View Elementary school. Project reports were given by Dorothy Raney, Amy Tarbell, Barbara Rzepecki, Rachael Kester and Joe Gula. Eva Rzepecki gave a report on health.

A public nurse was guest speaker for the night. She talked about the West End Health Center. Marilyn Spinella told about her trip to Davis, Calif.

Members of the club put on a skit for entertainment because it was Parents Night. Those involved were Sharon and Christie Norton, Rachael Kester and Gloria and Joe Gula.

EMPEROR'S CLOTHES -- Upland elementary school sixth graders recently staged the play "The Emperor's New Clothes," as a part of a class project.

Busy Meeting Held By Cub Pack 616

Cub Pack 616, sponsored by the Church of Jesus Christ of Latterday Saints, recently held their monthly pack meeting in the church cultural hall. The theme of the month was a Showboat Minstrel Show.

The meeting opened with a prayer by Andy Busby of the Webelos Den. The Flag Ceremony was led by Den 2.

Cub Master Robert Reichmann made several announcements: The Serrano District Dinner for Leaders and Parents on Dec. 10, The Cub and Pack Leaders Pow Wow on Dec. 7, and the need for more adult leaders and help in the pack.

Dens 2, 3, 4, 5 and 6 each presented a skit as part of the Minstrel Show.

Awards were presented by Cub Master Reichmann to the following: Bobcats: Brian Pendleton, Joseph Ambrose, Brent Reed, Matthew St. Martin, Richard Davis, Craig Dalton, Darwin Hadley; Wolf: James Herron; Silver Arrows: Kevin Dalton, Arlen Matheson; Denner Stripes: Craig Peters; Assistant Denner Stripes: Tom Bemis; One Year Service Star: James Herron; Steve Mecham; Showman Badge: Joseph Allred, Andy Busby, Gary Teal; 100% Inspection: Craig Peters, Edward Belliston, Kim Williams; Den Chiefs Braid: Eric Johnson, Larry Pendleton and Edward Belliston graduated into the Webelos Den.

The Attendance Flag was won by Den 4. The closing prayer was offered by Joseph Allred of the Webelos Den.

Many foods, such as Italian spaghetti, fresh turnip greens, fresh green beans, fresh corn, homemade breads, and the like, are much better when cooked in larger quantities. The surplus may then be stored in family-size containers in the freezer.

John James To Head County Postmasters

UPLAND - Postmaster John W. James has been named president of the Postmasters Association.

James succeeds Montclair postmaster Richard Zangri as head of the 80-member organization. His term will be for one year.

James, who has been in the post office service 38 years, was named postmaster in 1962. He has been with the department since 1948.

He started out as a

postal clerk in 1931 in San Pedro, where he was born. He was with the San Pedro department until he transferred to North Hollywood in 1940, staying there until his move to Upland. James lives at 1231 N. Palm ave.

Sycamore Villa

The women of Sycamore Villa Mobile Home Park were invited to a luncheon given by the women of Crest Mobile Home Park. Thirty residents of Sycamore Villa attended the affair and were hosted by as many ladies from Crest. The luncheon was superb with a large assortment of hot dishes, an array of salads to indeed tempt the appetites and a large selection of homemade cookies. Coffee and tea was served. It must be added that the ladies of Crest were heart-warmingly hospitable. Everyone acquainted themselves with their guests and soon all were feeling right at home. The tables were set with lovely china and silver. After lunch, many

stayed and played cards and games. An afternoon of the Sycamore Villa ladies will long remember.

Spooks and Goblins invaded the Sycamore Mobile Home Park Halloween party and a good time was had by all. The traditional costume parade was held first and prizes given for 1st, 2nd and 3rd place. Games were played including a "steal the package", a relay where men in 1 line and women in another had to put on a robe, shower cap, slippers, cane and purse, then take them off and pass them on to the next person. An assortment of doughnuts was served along with punch and coffee. Special events chairman was Marion Walker who arranged and conducted the party. Her decorations enhanced the hall and made it a perfect setting for the affair. Large black cobwebs were hanging about, also bats and ghosts and a life size scarecrow. Marion was assisted by her husband, Jim Walke, Margaret Hermann and many other helping hands.

Thanks were given to the managers of Sycamore Villa, Odell and Dottie Sanders for supplying 78 pounds of turkey for the traditional Thanksgiving day dinner. Special thanks was given to Irene and Wally Gustafson, Jo Sodaro and Dottie and Odell Sanders who cooked the birds in truly gourmet style. The hall and tables were decorated in a most tasteful Thanksgiving theme.

Park residents were saddened by the death of Lloyd Ryan on Nov. 6th. Those who attended his funeral were: Joe and Vera Doyle, Earl Foster, Ethel Graham and Edith Noonan. Services were held at Rainbor Chapel and interment at Rose Hills Memorial Park.

Captain Leland Powers, son of Loren and Mary Powers, residents of Sy-

camore Villa has been assigned as Chief of Maintenance for the entire Pacific area. He and his wife will be stationed in Hawaii.

Russell and Leonora Hulan are at home again after 5 delightful weeks at the Country Squire Mobile Home Park in Desert Hot Springs, Calif.

Tom Cummings and Larry Larrazola have had heart attacks and were in the hospital. They are home now and are able to have visitors. Martin and Julie Mosley have just returned from a visit to their son in Yuma, Arizona. Earl and Marie Foster vacationed at Des Moines, Iowa. Harold and Gloria Sneath took a trip to a Ham Radio Picnic reunion. From there to Colorado River, Bull Head City, Ariz. and Los Vegas. Harley and Janie Newman have just returned from a months vacation. They took a leisurely trip in their camper up the coast as far as Monterey, Chico was the destination where they visited family.

Uplander Wins Position

William R. Snyder, 332 Bixby way, Upland has been appointed a sales trainer for Permacel Division of Johnson & Johnson, manufacturers of pressure-sensitive tapes.

The appointment was announced by A. J. Callahan, Permacel's National Sales Manager, who called Snyder's move "an important first step into sales management."

Snyder is one of 13 Permacel sales representatives throughout the country selected to train new salesmen for the company. He joined Permacel in July, 1966 and

Savings Bond Sales Go Up, Bush Reports

Californians continue to buy US Savings Bonds and Freedom Share Savings Notes at a pace that leads the Nation! September marked the fourth consecutive month in which the State was number one in percentage of goal achieved.

Combined sales for the first nine months of the year have amounted to \$299,971,664 as compared to \$278,932,430 for the same period a year ago. Thus the current State-wide investment is running a healthy \$21 million ahead of the accumulative total in 1967. September added \$28,241,920 to the total while the same month last year tallied \$29,268,117.

San Bernardino County sales for Sept. totaled \$710,766 as compared for \$655,108 for the same period in 1967, and the year to date total this year is \$6,819,248 slightly higher than 1967 when it amounted to \$6,818,428, according to Uplands Chairman Bob G. Bush.

LETTERS to EDITOR

Dear Editor:
Upland's Bond Election G failed. The paper says the Council will try again. Why did it fail? The citizens did not want it? Here are one citizen's reasons. First, the days of John Q. Public buying a "pig in a poke" are gone. What the voter really wants is to be shown a definite need, an expenditure that is realistic, and for what the money is to be used, not just a large sum of money to be used when the need arises. For example, three 5 acre parcels of land were proposed at \$14,000 per acre a fair price. Then one parcel at \$20,000 per acre. Why? Is this particular parcel that necessary for a park? It makes one wonder what makes this piece of land so important. Consider another proposed development, \$14,000 for a rest room. At \$14 per square foot, this is 1,000 square feet of restroom or is it to be gold plated?
Now, let's look at the other side. The park plan is in accord with the Master Plan of our city. Bonding is the cheapest way,

for the taxpayer, to raise money to build and improve our parks. It is possible that some of the parks are needed, and that the city should have them for the people of the community.

Voters, beware! If things go like the last time when the Civic Center Bonds were defeated, your city council go ahead and take the monies from the general fund and build parks, regardless of your vote.

A question to Taxpayers. What happens when or if the City of Upland becomes the principal land owner in our township? Where will the money come from to run the city? Can the taxpayer afford to live here?

If we voters, who are intelligent and responsible citizens, were fully informed and better understood the purposes of the City Council's actions, we would be more apt to vote favorably.

St. Joseph School Students Honor Nuns

The students of St. Joseph's School honored the Sisters with a Mass on Thurs., Nov. 21, the titular Feast day of the Presentation Nuns. The Mass was planned by Fr. Frank Keegan, and concelebrated by Fr. Thomas Briody, Pastor, Fr. Albert DeClerck, and Fr. Keegan.

The Guitariet Group, under the direction of Mrs. Carol Bagleton, led the congregational singing.

The group was addressed by Bryan Nielsen and Ann Carr, both eighth grade students, who, in behalf of all the

students of the school, expressed gratitude to the nuns for the many years of excellent teaching at this school.

Fr. Briody commended the nuns for their courage in leaving their homeland to come here to staff the school. Two of the nine Sisters came here in 1955 when the school was first founded, the others came a few years later. All left their Mother House in Tralee, County Kerry, Ireland. Their Feast day is celebrated on the feast of the Presentation of the Blessed Virgin Mary. The Mass ended with the "Kiss of Peace."

JAMES SMITHMAN
UPLAND - Navy Warrent Officer James C. Smithman, 39, son of Mrs. Harry C. Bachman Sr. of 519 N. Eighth ave., Upland, and husband of the former Miss Virginia Walsh of Greenville, N.H., visited Yokosuka, Japan aboard the attack carrier USS Constellation.

Constellation arrived in Yokosuka from conducting combat operations with the Seventh Fleet off the coast of Vietnam.

The San Diego-based carrier recently spent a 28 day period in the Gulf of Tonkin where Constellation pilots continued to disrupt and impede supplies flowing into South Vietnam. While knocking out nine bridges and destroying 134 trucks and 280 supply barges, they also silenced 56 anti-aircraft gun emplacements and struck four surface-to-air missile sites.

STREET SCENE -- West End Symphony Art Festival held Sunday on the mall featured 17 booths with things to enchant everyone. Some 1,000 people enjoyed the festivities.

Weather Fails To Dampen Spirit Of Art Festival

In spite of the cool and damp weather some 1,000 people turned out for the West End Symphony League's Art Festival held Sunday in the Downtown Center mall from noon until 10 p.m.

Threading their way through the 17 booths, shoppers had many opportunities to taste foods of different lands, from the American hot dog to food imported from some of the native lands of exchange students, sponsored by the American Field Service, and of course, the steaming hot cup of coffee was available.

The boutiques offered the unusual in gifts. There was Japanese art and some painting displayed by local artists, an artist sketched portraits in one corner and a potter worked his wheel in another corner.

Flags of all the nations flew alongside the American flags on the lamp posts and lent a festive air.

ENTERTAINMENT

Entertainment ranged from tiny ballerinas to rock and roll musicians, with a bag pipe band gaily piping the Scottish tunes. A Mummer's travelling drama group paraded through town and then performed on one of the street corners, and just before closing the festival, a rousing street dance took place.

Balloon hawkers enchanted smallsters who sometimes lost their newly purchased balloon to the sky, but some wise parents tied the balloons on the wrists to keep child and balloon grounded.

As the day wore on, the people didn't wear out, or at least when one crowd left, another took its place giving the festival a perpetual people look.

Judging by the happy looks, the gift laden, and well fed faces, the festival was a success for those who attended it.

MY BALLOON IS ME -- See, mother tied my balloon on my arm so it wouldn't go up in the sky. I'm not sure I like the idea, says Billy Roberts.

WHO'LL BUY MY BALLOON? -- Helping the girls sell balloons at the art festival were two enterprising boys. As to who made the most sales, the girls won. Consolation prizes for the boys were - balloons. Participating were Jomayne Sestokas, Buzz Palmer, Bob Sos and Joan Perez.

POTTERY IN MOTION -- As the potter turns the wheel, the vase takes form. A little dab of water, a little dab of clay. To create an object brings satisfaction.

PRETTY PIPERS -- The gathering of the clan at the Kiosk to entertain during the art festival included these pretty lassies, Darlene McPhearson, April Machen, and Denise Dick. They are part of the General Dynamics Bagpipe band and dancers.

Ulcers, Migraines And Asthma Good Night's Sleep Best Cure

KEYHOLE

A regular pattern of good nights' sleep is the best cure in some cases for ulcers, hypertension, migraine headaches, asthma and other ailments, a University of Southern California psychiatrist said today.

But it's the quality, not the quantity, of sleep that counts, according to Dr. Leon Marder, associate professor of psychiatry at the USC School of Medicine.

Some chronic sufferers from the so-called psychosomatic diseases who fail to respond to medical treatment and psychotherapy are "sleep-deprived"—they don't get enough deep sleep, Marder said in an interview.

If a regular pattern of rest that provides normal periods of deep sleep can be induced in these cases, it can mean recovery from the illnesses, he said.

Because of the importance of sleep to human health, the USC psychiatrist is planning to establish a sleep research section at the Los Angeles County-USC Medical Center. He has submitted a proposal for federal funding of the project.

CURATIVE POWERS

Marder demonstrated the curative powers of sleep in a research project in which 12 patients suffering from a variety of ailments -- including ulcers, migraine, high blood pressure, gastrointestinal disorders or other ills -- recovered after two weeks of prolonged sleep.

Drugs, including phenothiazines and barbiturates, kept the patients asleep 18 to 20 hours a day, without the need for other medication. They were awakened three times a day for meals, light exercise, and informal psychiatric consultations, the USC researcher said.

During a third week, they were gradually returned to normal sleeping habits -- without the use of drugs, but with the deep sleep they had lacked -- and went home.

In the nearly two years since then, they have suffered no recurrence of the symptoms for which they were referred to Marder by physicians.

The patients, he said, had not been responding to medical treatment or psychotherapy before the two weeks of sleep therapy.

"They had been caught up in a vicious circle and were going downhill in their physical and mental functioning."

"We found them to be suffering from emotional losses, either real or fantasized, and experiencing "masked" depression.

"Without exception, their physical ailments became evident following some emotional crisis, although that is not to say that the emotional illness produced the disease."

"Because they were ill emotionally and physically, they weren't getting the proper sleep. And because they weren't getting the proper sleep, they were irritable, groggy, defeated, and less able to deal with their problems."

LOSE SYMPTOMS

"They lost their symptoms almost immediately after beginning the sleep therapy," USC's Marder said.

"When they awakened, rested, they were able to deal with and talk about their emotional conflicts, which they did not do previously."

"They had either been aware of them and couldn't deal with them, or in some cases, they didn't recognize them. For the most part, they were no deep, dark secrets; they had been on the tips of the patients' tongues, and most importantly, in the forefront of their minds."

"Significantly after sleep therapy, they were able to handle the conflicts without intervention, direction, or suggestions from the attending psychiatrists," Marder said.

The cures were attributable largely to sleep, which is a restor-

ative and a "great healer," he added.

Another contributing factor to the cures was a sense of well-being and security encouraged by care for them by the attending and nursing staff.

"The fact that I or my associate was always in attendance when they awakened, serving their needs, willing to talk with them informally, and giving them protection and security, contributed to

their recovery," Marder said.

Testing prior to the two weeks of sleep therapy determined that the majority of the patients had been getting little or no "stage four" sleep -- the deepest phase that everyone needs, and the lack of which will eventually cause humans to become psychotic.

Stage four sleep, Marder explained, is characterized by a certain pattern of brain waves,

detectable by an EEG (electro-encephalogram). While the subjects were asleep, their brain waves were monitored by EEG, and other testing was carried on.

SLEEP THERAPY

Marder said sleep therapy is used in the Soviet Union, Europe, South America and elsewhere, but it has not come into wide use in the US.

He believes this is so because of the develop-

ment of the tranquilizers and phenothiazines in this country, and their extensive applications.

But the USC psychiatrist believes sleep therapy will come into its own here, because of great scientific interest in sleep, and the research that is beginning to discover its importance to mental and physical health.

"Because sleep is so important, it is imperative that science find ways

to improve sleep for persons, whether they are ill or not," he declared.

Marder's sleep therapy research project was conducted in association with Dr. J. D. Hoogerbeets at the University of Florida.

Marder, who joined USC in 1966, attended Stanford University. He earned the MD degree at the University of Oklahoma School of Medicine and completed his internship and residency in in-

ternal medicine, and practiced internal medicine, before taking a residency in psychiatry at the University of Florida College of Medicine Teaching Hospital at Gainesville.

He lives in Beverly Hills.

Upland Harriers Enjoy Undefeated Season

UPLAND VARSITY CROSS-COUNTRY team are (l-r), front row: Doug Slater, Robert Sos, Gary Bayer, Joe Rodriguez and Dewey Szemenyel. Back row: Stan

Self, Bob Proulx, Coach Bob Loney, John Henderson, and Angus Gordon.

Upland's harriers competed for the CIF Southern Section, AA division title yesterday at Cal State, Long Beach, but due to the late running of the race the Bonita newspapers were unable to obtain the results in time for this week's issue. Sporting an undefeated season so far the Highlanders were expected to take home the championship trophy.

Angus Gordon set a new course mark and led Upland High to a first place finish here at Mt. San Antonio College Thursday in the CIF preliminary cross country meet.

Gordon, one of three Upland runners to finish among the top five in the 2-A division, won in a time of 10:29.9 minutes.

Bob Sos placed fourth for the Highlanders in 10:47 and team mate Joe Rodriguez placed a strong fifth at 10:48. Rounding out the victorious Upland squad were Doug Slater eighth, Stan Self fourteenth, Dewey Szemenyel and Gary Bayer.

John Gregorio of Ganesha was second to Gordon and also had the second fastest overall time of the day at 10:34. Dave White of El Modena finished third in 10:44.

Upland, the San Antonio League champion, qualified for the CIF cross country championships at Cal State Long Beach Tuesday. The other four teams which also qualified were El Modena (71); Rowland (121); San Clemente (142); and Bolsa Grande (162).

Chino narrowly missed qualifying for the finals in taking sixth overall, with the top five teams allowed to go.

Other local runners who finished high were David Caldera (6) of Rowland, 10:50; and Bert Trevino (14) of Nogales, 11:09.

In the 1-A division, Royal Oak qualified for the championship round by finishing second to Workman. Gus Andrade topped Royal Oak with a seventh-place finish in 11:13. Jim Gillmon was 11th in 11:33.

Crescenta Valley (50) won the 3-A division. Westminster (81); La Ha-

bra (95); Burbank (124); and Alhambra (136) followed in that order.

Regular 'Pap' Test For Women Urged By State

All women aged 20 and over were urged today to have a "Pap" test for uterine cancer at regular intervals. This simple and painless medical procedure could save their lives, according to State Health Director Louis F. Saylor.

He noted that the California division of the American Cancer Society is conducting a "Conquer Uterine Cancer" program during a nationwide campaign now underway. If detected in its earliest stages, cancer of the uterus can nearly always be cured. Yet about 14,000 lives are lost each year to this disease in the United States, Dr. Saylor said. Public health studies of more than 180,000 women in San Diego County showed that cancer of the uterus which has not yet invaded other tissue—carcinoma in situ—develops most often between ages 25 and 29. Lesions of the cervix—which may or may not become malignant—occur most often at even earlier ages.

"That is why regular 'Pap' examinations during a young woman's most sexually active years are so important," Dr. Saylor said. The "Pap" test is a cytological technique developed by the late Dr. George N. Papanicolaou and is based on the study of cells which are shed from living tissues in the uterus. A sample of these cells collected by the physician is studied under a microscope in a cytology laboratory. If uterine cancer is present, malignant cells usually will be found in the sample. When the "Pap" test is repeated annually, the number of cases of invasive cancer drops considerably, Dr. Saylor said. In fact, both deaths from uterine cancer and the number of new cases of invasive carcinoma reported in recent years have decreased as the number of test-detected "in situ" cases has gone up.

CARE OF GIFT PLANTS AND GARDEN GREENS

The life expectancy of Christmas plants will depend upon how they are handled when received and the care they are given. As soon as a plant is delivered, it should be unwrapped. If it is inconvenient to do this immediately, at least loosen the wrapping around the top of the plant so the stalks and foliage can spread out.

As soon as possible, examine the soil; look at it and feel it. If the soil is dry, or only slightly damp, water it at once. Thereafter maintain constant soil moisture by watering either from the bottom or at the surface. The latter method may have to be done daily; the sub-irrigation method may last two or three days. Lifting the decorative foil around the pot will prevent it from becoming soiled.

All Christmas plants—poinsettias, Christmas begonias, cyclamens, azaleas, Jerusalem cherries—are very sensitive to drought, even for short periods of time. They are at maximum growth, and must be kept moist constantly.

Poinsettias, for example, are sensitive to drought of only a few hours, but the cyclamen can recover completely from a severe wilting. It will, however, be permanently injured if wilting occurs repeatedly for a prolonged time.

Keep holiday plants away from drafts and sources of heat. The poinsettia thrives on a uniform temperature which is comfortable for most people—about 70 degrees during the day and 65 at night. They do not have a high light requirement so you do not need to keep them near or next to a window. Cyclamens, Christmas begonias and azaleas should be kept near a source of light, preferably an east or south window, while in bloom. They like a cool temperature and will last much longer if kept at a temperature of 65 degrees during the day and 55 at night. The low night temperature is more important than the low day temperature.

Keep in mind these requirements of your Christmas plants, and the bright beauties will continue to spread cheer well into the winter months.

Each year the season's joy is expressed in holiday symbols.

Differences Between Men & Women? There Are Some, Even In Driving

If anyone ever asks you to list the little-known differences between men and women (as if the obvious ones weren't enough to satisfy most people), be sure to include driving characteristics.

The California Highway Patrol's accident statistics show a marked difference in the sexes.

Only 42% of the licensed drivers in California are women, and men do a lot more driving than women, so a comparison of the number of accidents involving men with the number involving women is almost meaningless.

However, a study of the figures (statistical type) does reveal some "little known differences" between the sexes.

The CHP compiles a tabulation of drivers found to be in violation of the law in fatal and injury accidents. From this data emerge these "sexy" facts:

--Of male drivers in violation, 23.06% had been drinking. In contrast, only 9.61% of female drivers had been drinking.

--passing on a curve was almost exclusively a male-type offense. Only 15 of 101 such violators were females.

--One-third of the men in violation were driving too fast. Only a quarter of the women committed that offense.

--On the other hand, failing to grant the right-of-way was the leading accident violation for women. Of all the violations attributed to women, 28.4% involved right-of-way. This violation was

committed by only 19.5% of the men.

What is "right-of-way" --the thing that appears to cause more problems for women drivers than anything else?

"Right-of-way" is defined in the California Vehicle Code as "the privilege of the immediate use of the highway."

The statistics indicate some real confusion about what drivers should do in various right-of-way situations of high accident potential.

For the benefit of the ladies in the audience, a review of the requirements for yielding right-of-way may be in order. (The law does not "grant" the right-of-way to anyone--it requires a driver to "yield.")

When two vehicles enter an intersection from different highways at the same time, the driver on the left must yield the right-of-way to the driver on his right. (This rule doesn't apply at intersections controlled by signs or signals.)

When entering a through highway, from a driveway or at a controlled intersection, the driver must stop and yield the right-of-way to other vehicles which have entered the intersection from the highway or which are so close as to be a hazard. The entering driver must continue to yield the right-of-way until it is safe to proceed.

When a driver intends to turn left at an intersection, he must yield the right-of-way to all vehicles which are approaching from the opposite direction and which

are close enough to constitute a hazard at any time during the turning movement. He (or she) must continue to yield the right-of-way until it is safe to make the left turn. The same rule applies to drivers who intend to turn left from the street or highway into a driveway.

In all these cases, and in the ones following, after the driver has yielded the right-of-way, has waited until no hazard exists, has signaled if necessary and has started his movement, approaching drivers are required by the law to yield the right-of-way.

However, for practical purposes, it is imperative for the driver who has yielded to be certain that it is safe to move, and not to try to force approaching vehicles to yield to him by driving into their path. The driver who has yielded is responsible for determining that no hazard exists, and arguing that there was no hazard, after an accident, is difficult and often expensive.

The "Yield" sign, a distinctive yellow triangle, is a source of confusion for some people. Like all yellow objects in traffic safety use, it indicates that caution is needed wherever it is seen.

When an intersection is posted with a Yield sign, the approaching driver must not enter the highway or intersection at a speed of more than 15 miles per hour, and he must slow down or stop if necessary and yield the right-of-way to other ve-

hicles on the intersecting street.

Drivers are also required to yield the right-of-way at pedestrian and equestrian crossings. Walkers and horses first, even if the driver is a lady!

And speaking of pedestrians -- there's something about them that is puzzling. For some undetermined reason, of the 16,195 pedestrians killed or injured in traffic accidents last year, 10,038 of them were males -- more than 60%!

Even among bicyclists, males suffer the brunt of the damage: 3,205 males were injured and 34 killed in bicycle accidents in 1967 in this state, compared to only 662 female bicyclists injured and 11 killed.

We must conclude there is a difference in male and female. Men and boys, because of their activities or proclivities, have more accidents than women and girls. They not only cause more accidents, but they are the

victims of a large majority of accidents of almost all types.

Although more boy babies are born than girl babies, there are at the present time 620,000 more females than males in California. We can't afford to lose any more!

Hence, our message to the ladies: If you want to be sure of having enough men around, take care. Whether they are on foot or on wheels, give them the right-of-way when it is legally theirs.

They not only deserve it, they probably need it!

"Ulcers are something you get from mountain-climbing over mole hills."

Legion Demands Campus Rebels Be Expelled

In a sharply worded dispatch prepared for the 124,000 members of the 741 Posts in California, Bradley J. Stephens, of Palo Alto, State Commander of The American Legion declared that as "concerned citizens, taxpayers and war veterans, we have reached the limit in the fiasco of professors and students on the campuses of our State Colleges and Universities."

"We refuse to accept the assassin, disruptive so-called 'demands' of a ridiculous minority who lie when they claim to represent the voice and attitude of 99 1/2 per cent of conscientious students who go to college to learn, not to destroy."

The Commander said, "we are tired of people in our colleges who profess to be teachers but advocate seizure of the institutions by force and violence, and refer to our Nation's Flag as 'toilet paper'."

"I urge every Legionnaire in California to use his utmost influence to the end that professors and teachers who walk off the job in support of rebellious students be discharged, and that student attending tax-supported educational institutions who devote their time to campus demonstrations instead of in the classrooms be expelled."

"I further urge," concluded the Commander, "that Governor Reagan be commended for his firm, strong stand against any rupture in our State educational system. He should know that The American Legion is with him unequivocally in this issue."

BE THOU THANKFUL

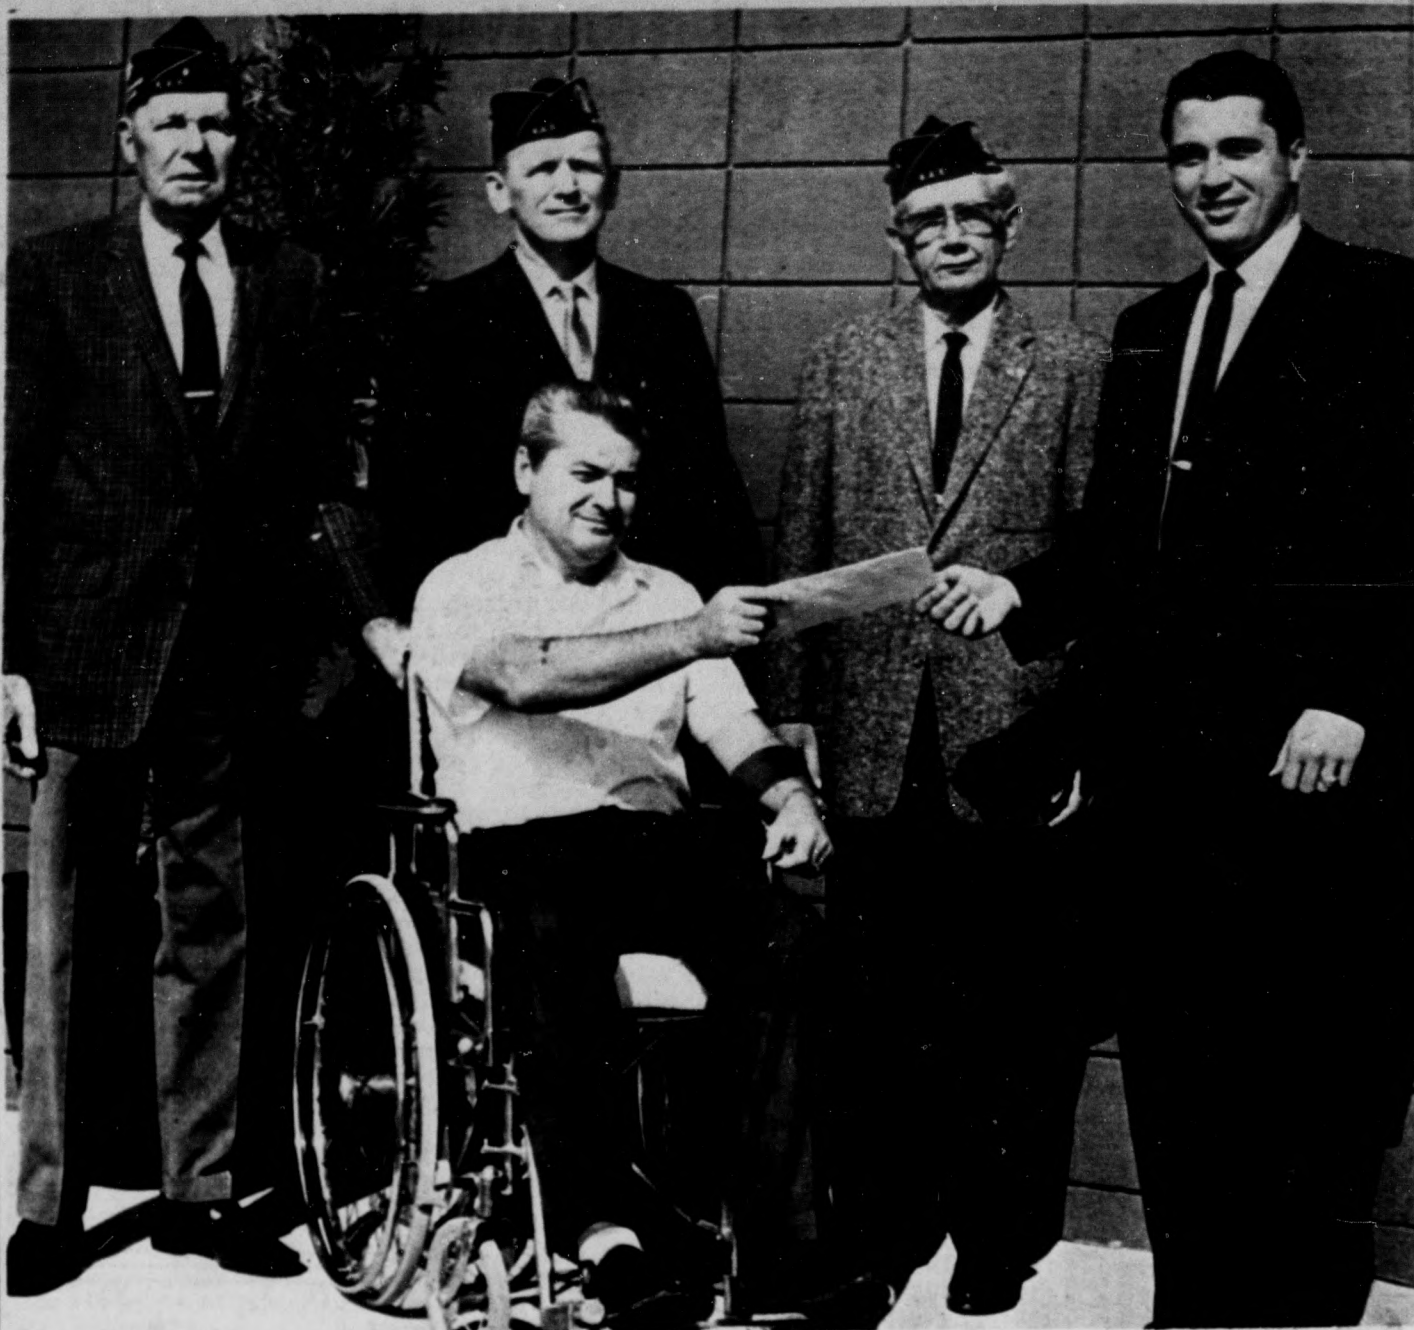

THANKSGIVING 1968

What have we to be thankful for? Did the original celebrators of the feast of Thanksgiving have more cause for gratitude than we do today?

Their life was demanding. They had to work hard to provide the necessities of life, clothing and food, and to build schools and places of worship. Yet they set aside a day for joyous celebration to thank God for the munificence of His gifts.

We have come a long way since that first celebration in the Massachusetts Bay Colony. As one generation gives way to another, the scientific and technical advances have made us the bread basket and the supplier of the world. The luxuries of yesterday have become the necessities of today.

Wouldn't it be a sound idea for all of us to reflect a bit on that original scene of Thanksgiving? History is a great teacher, and a quick flashback to the first Thanksgiving might help us to rededicate our lives to sound principles, good deeds, human values, cooperation, peace, prosperity for all mankind.

ANOTHER CONTRIBUTION TO RANDY -- Glenn Hamman, commander of the Jack Ford, Jr., Chapter No. 9 of the Disabled Veterans hands Bonita Publishing Co. reporter Gene Hendl a check for \$25 to be placed in the Randy Sheppard Fund. Other members of the chapter present are (l-r) Jerry Bourregard, past commander and senior vice commander of the 8th district of DAV, Carey Spridgeon, adjutant and assistant ser-

vice officer, and Wesley Renfro, chaplain. Commander Hamman indicated that if the public has anything they want to donate to the Randy Sheppard Fund they should address or bring their contribution to the DAV, Jack Ford Jr. Chap. No. 9, 1190 Garey Ave., Pomona, Calif. 91766. This is the Chapter's second contribution to the fund.

More Than Drivers At Stake In Rex Mays Race, Dec. 1

If Dan Gurney again wins the \$85,000 Rex Mays 300-mile road race for Indy cars at Riverside, Dec. 1, something more than the USAC national driving championship will be decided.

The final results will build a good case, pro or con, on the further adventures of American-manufactured stock block

engines in Indianapolis race cars.

Gurney today joined this year's most successful racer, Trans-Am Sedan and United States Road Racing Champion Murk Donohue, as entries in the final race of the year at Riverside.

Though for decades Detroit-powered race cars hadn't been competitive at the brickyard, Gurney

finished second there behind Bobby Unser, also an entrant in the Mays race.

There are two paramount reasons for the interest in stock block racing engines: reliability and low cost. A third reason is the recent USAC rule change which upped allowable stock block cubic inch displacement and also effectively re-

stricted further turbine motor experimentation.

Oil Protection

To keep leather books in first class condition, pour a small amount of castor oil on a clean cloth and go over the leather covers with it, giving particular attention to the bindings. This keeps the leather soft, pliable and new-looking.

'Well Done' Awards Made To Two NRTC Area Units

POMONA - Outstanding accomplishments during the past fiscal year by two units attached to the Naval Reserve Training Center here have received a "Well Done" from Rear Admiral Dorin, commandant of the 11th Naval District.

In behalf of his officers and men in Naval Reserve Surface Division II-4(L), Cmdr. Gordon T. Yarborough accepted a plaque from Capt. S.W. Vejtasa, Chief of Staff for the 11th Naval District; while Cmdr. W.C. Stookey accepted a similar plaque in behalf of Naval Reserve Construction Battalion II-3.

More than 115 officers and men of the two groups are from the local communities of Upland, Alta Loma, Cucamonga, Etiwanda, Claremont, La Verne, San Dimas and Diamond Bar.

The "surface division" was runnerup among 22 units in the 11th Naval District, and eight among 164 in the nation; while the "See Bees" finished third in the district and 10th nationally among 183 in competition.

Points were awarded in seven categories, all designed to make the "Citizen sailors" adaptable to immediate mobilization should the need arise, as

it has four times in less than 30 years.

In addition to Capt. Vejtasa, Capt. H.D. McKee, assistant Chief of Staff for the district, aided in the presentation ceremony.

Other officers in attendance, all of them commanding officers of units serving the two honored organizations, were Capt. F.F. Wall, Naval Reserve Officers School; Cmdr. William T. Finley, Naval Reserve Training Center; Cmdr. U.G. Bauers, Naval Reserve Group Commander; and Lt. Cmdr. D.C. Sieber, Military Training Division.

Among the honored guests were Rep. Glenard P. Lipscomb (R-24th District), State Sen. William E. Coombs (R-Rialto), Assemblyman John Briggs (R-La Habra), Mayor Howard Snider (Ontario), Mayor Richard Brownell (Pomona), Mayor Harold Hayes (Montclair) and Councilman Joe Alme (Ontario).

In addition, more than 150 other guests were present.

A surprise sidelight to the affair was the awarding of the Bronze Star Medal for heroism in Vietnam combat to Hospitalman third class Steven Arnenberg of West Covina.

Portions Of "Messiah" Set For Mennonites

Portions of G.F. Handel's "The Messiah" will be presented at an Advent Vesper Service, Sunday, December 1, 3:00 p.m., at the First Mennonite Church, 379 N. Campus ave., Upland. The Music Festival Association's 35 voice choir will be directed by Mr. Jean Pilon, Claremont.

Organist for the presentation is Joyce Wright, Pomona. Soloists include Ellen Antal, soprano, Sue Millard, alto, Roger Lindbeck, bass, of Claremont, and the Rev. Pascal Banks, tenor, of Pomona.

The Music Festival Association was organized in 1967 to present masterworks of choral music to interested audiences and to provide an outlet and opportunity for experienced and aspiring singers. During these two years the choir has given several presentations of Haydn's "The Creation," and Mendelssohn's, "The Elijah."

The choir's presentation of "The Messiah" on December 1 will be the first of several in the Pomona Valley area during the advent season. The public is invited. An offering for expense of the association will be asked.

The popular Tish stories were written by Mary Roberts Rinehart.

AUTUMN NEW YEAR
The ten day New Year season is observed by the Jews at the time of the autumn equinox. The festivities begin on Rosh Hashana and end on Yom Kippur. Rosh Hashana commemorated the Day of Creation and is also the annual day of Judgement, with the children of Israel being irrevocably sealed on Yom Kippur (the day of Atonement); therefore the spirit of penance dominates the solemnities. Rosh Hashana means "Feast of the Trumpets".

SANTAKLAUSEN
Christmas is the most important festival of the year in Austria, but Saint Nicholas (Santaklausen), the patron saint of the children, appears on Dec. 6th. Santaklausen is accompanied by the children and demands that the children tell of their bad deeds, as well as their good ones. After the children promise to be good, Santaklausen rewards them with candies, fruits and nuts.

COMICS TO COME TO POMONA - Marcia Hams, 21-year-old Pomona College senior from Scottsdale, Ariz., examines old comic strips and engravings of 19th century cartoons, which are part of an exhibit entitled, "American Comic Strips from the Turn of the Century," opening in Montgomery Art Gallery at Pomona College on Tuesday, Nov. 19. The month-long exhibit will feature drawings for comic strips, ranging in time from the turn of the century with Outcault's "Yellow Kid" and "Buster Brown" to one of the latest "Snoopy" strips; precursors to the 20th century strip, and strip production processes.

How to Say "We Miss You" To Someone Away for the Holidays

Although it may still be impossible to duplicate Mother's unsurpassed holiday dinners, American Express Credit Card has come up with a new and unique way to remember friends and loved ones who may be far from home during the two most cherished holidays on the calendar.

With its novel "Be My Guest" gift suggestion, American Express Credit Card makes it easy for anyone to play "absentee host" virtually anywhere in the world. To those who find themselves in far-flung places during the holiday season, the idea represents much more than a meal. It means that back home someone cares at these most sentimental of American holidays.

HERE'S HOW IT WORKS: The host selects a restaurant from the American Express Credit Card dining and entertaining directories. Included in the directories is an order form which simply requires the sender's American Express Credit Card number, name and address, number of guests and approximate delivery date the invitation is to be sent. American Express

takes care of all other details and dinners for two or two-dozen are soon on the way. Order forms can also be obtained from Representative Office of American Express Company or its Subsidiaries.

For all those "spur-of-the-moment" people, rush orders for "Be My Guest" can be sent directly to guests by Western Union. Here's all the sender does when the invitation must be delivered in less than seven working days, or whenever the occasion calls for the excitement of a telegram: phone or visit your nearest Western Union office; tell them you want to send an American Express "Be My Guest" invitation-telegram; give them complete regular order form information, including your personal greetings... **THEY DO THE REST!**

For a son fighting in Viet Nam whose spending "R & R" in Hong Kong, Japan or Hawaii, or even for the college student unable to get home for the holidays, "Be My Guest" is a most imaginative way for a parent or friend to say "WE MISS YOU!"

Holiday Orange Puffs Delightful

1 package hot-roll mix
3/4 cup sugar
2 teaspoons grated orange peel

1/4 cup butter, melted
mixed candied fruits
walnut or almond halves

Prepare: roll mix and let rise according to package directions. Form dough into 1-inch balls. Mix sugar and orange peel. Dip balls in butter, then roll in sugar mixture. Grease a ring mold, tube pan, or loaf pan. Loosely fill the pan half full with the balls. Let double. Bake at 375 degrees for 15 to 25 minutes or till done. Invert on rack. Trim with candied fruits and nuts as desired.

ELEGANT GIFT! SPIRITED JELLY IN SNIFTERS

Easy-to-make "Peach and Brandy Jelly" will be a sure standout in the holiday world of jams, jellies and confections. The secret ingredient is Peach and Brandy, a cordial made with real peach flavor which gives the jelly a light yet distinctive taste bouquet all its own.

This simple recipe can be can be dressed up beautifully in cordial glasses of brandy snifters to create a really elegant yet inexpensive gift.

Here's how to make it, using Mr. Boston Connoisseur Peach and Brandy.

PEACH AND BRANDY JELLY
2 envelopes unflavored gelatin
1/2 cup cold water
1 cup Peach and Brandy
2 1/4 cups water
1/2 cup sugar
1/4 cup lemon juice

Soften gelatin in 1/2 cup cold water for 5 minutes. Combine Peach and Brandy, 2 1/4 cups water and sugar in a small saucepan. Heat, stirring constantly until

sugar dissolves. Add softened gelatin and stir until gelatin dissolves. Remove from heat. Stir in lemon juice. Pour into 4 glasses. Refrigerate until set. Makes 4 cups jelly.

A clever way to put left-over scraps of wrapping paper to good use is by cutting out words or designs and pasting them on shiny black wrapping paper. The result makes a striking package that is particularly appropriate for masculine gifts.

Divinity Drops
2 cups Kellogg's Corn Flakes or
1/2 cup Kellogg's Corn Flakes
1/2 cup cut pitted dates
1/2 cup chopped pecans
1/2 cup brown sugar, firmly packed

1/2 cup flaked coconut
2 egg whites
1/2 teaspoon salt
1/2 teaspoon cream of tartar
1/2 teaspoon almond flavoring
1/2 teaspoon vanilla flavoring

If using Corn Flakes, crush into fine crumbs. Combine Corn Flakes Crumbs with dates, pecans and coconut; set aside. Beat egg whites until frothy. Add salt, cream of tartar and flavorings. Beat until soft peaks form. Add sugar gradually, beating until stiff and glossy. Fold in Crumbs mixture. Drop by level tablespoonfuls 2 inches apart onto greased baking sheets. Bake in slow oven (325° F.) about 15 minutes or until set and lightly browned.

Yield: about 3 dozen Divinity Drops, 1 1/2 inches in diameter.

Calif. Students In Grades 1, 2, 3, 6 Lag In Reading

For the third consecutive year, California pupils in Grades 1, 2, 3 and 6 scored well below national standards in reading, the State Board of Education was told at its recent (Nov. 14-15) meeting in Sacramento.

The other grade in which standardized reading tests are administered, the 10th, scored two points below the national norms established by textbook publishers' surveys.

Dr. Max Rafferty, state

superintendent of public instruction, said he could not explain why "we should be behind in the 6th grade, but essentially at the norm in the 10th, particularly when there is no instruction in reading between those years."

Board members were again at a loss to know what to do about the problem, particularly since, as Mrs. Seymour Mathiesen of Fresno complained, "These results do not tell us which districts are doing the good

jobs in reading."

Presumably, districts with high scores could shed some light on the reasons other districts do poorly.

Playwright Best When Angry -- 'Plaza Suite'

Neil Simon, author of the hit comedy "Plaza Suite" says he thinks he is his funniest when he is mad, and he admits to being mad a great deal of the time. "Usually," he says "I just don't get angry at the same things that other people get angry about."

"Plaza Suite" now at the Huntington Hartford Theatre in Hollywood, is his funniest comedy, and he says he was angry about all three of the episodes. He was angry for the woman who wants so desperately to relive her wedding night. "I've seen her many times. In her late 40's, and the husband has gone off with his secretary or someone else, and I said 'Gee, that's just rotten—it's not fair.'"

In the second episode, Simon is still angry. I'm angry at people like that, who lie to themselves. And in the last episode when the bride locks herself in the bathroom in the suite at the Plaza Hotel, Simon admits he may be a little angry at himself, for he has suffered from claustrophobia and "the fear of a situation over which you have no control."

In as much as Mr. Simon has had seven straight comedy hits in the theatre in as many years, producer Saint Subber and the public hope he goes on being angry for a very long time.

Dan Dailey and Lee Grant star in "Plaza Suite" directed by Mike Nichols, and featuring Roni Dengel, Skip Hinnant and Victor Campos.

Letters To The Editor

Dear Editor:

Recently I was looking at a scrapbook of newspaper clippings from the 1968 United Cerebral Palsy drive. I noted that your newspaper carried stories about the Cerebral Palsied.

On behalf of the 24,000 Cerebral Palsied of Los Angeles County, and particularly the children being helped at the six Centers financed or partly provided for by the United Cerebral Palsy Association of Los Angeles County, I wish to thank you.

Your assistance in bringing the message about this cruel affliction to the public is truly a warm and humane service.

Sincerely,
Harris R. Sherline
President

Valleyites will never have to worry about the time consuming job of addressing, stamping and mailing their holiday/Christmas cards if they order their cards through the local Heart Association office at 237 West Eighth street, Pomona.

In a unique promotion to stimulate community interest in the Association's holiday/Christmas cards, Honorary Christmas Card Chairman, TV and film star Miss Barbara Hale stated, "The Los Angeles County Heart Association has volunteer workers available to hand address, stamp and mail the cards, free of charge except for the cost of postage. Imprinting is also available at a nominal charge."

She noted, "There is no set price for the cards. Anything given beyond the cost of postage and im-

printing is a contribution to aid the many life-saving programs of the Heart Association."

Miss Hale played the role of Della Street, secretary extra-ordinary, on the highly successful TV series, "Perry Mason."

East San Gabriel Valley residents who wish to utilize the Heart Association's Christmas Card Service must place their orders for hand addressing by December 2. Where imprinting is desired, orders must be placed by December 16.

Holiday card senders interested in placing orders with the Heart Association may visit the East San Gabriel Valley Branch at 237 West Eighth street, Pomona and see the four card samples, or call the Heart office at (714) 629-4108 for a sample brochure.

Bag one for your family!

Bagging the right table for Thanksgiving is both harder, and easier, than it was for the Pilgrims. Harder because of the many shapes our dining spaces take. Easier because we have so many from which to choose... a baronial-size dining table that seats 14 comfortably... standard sizes in many styles and finishes... a compact-size drop-leaf table that extends to seat 2 to 10, as you desire. Come see them at Biggars. Let the ideal one for your family be under your turkey this year.

Bike Safety Important For Youths And Parents

More bicycles are sold during the Christmas shopping season than at any other time of the year. Parents making these purchases should keep certain accident hazards in mind.

Two kinds of braking systems for bicycles are currently available. The simplest to operate is the coaster brake, which requires only that the direction of the pedals be reversed. To apply reverse pedal pressure the arms are used to push the body back from the handle bars and onto the pedals. This braking action tends to keep the rider from being pitched headlong over the front wheel as the cycle stops.

Becoming increasingly popular with youngsters are bicycles with gears which permit the use of multiple speeds. Usually, such cycles are equipped with brakes operated by special grips applied to the handle bars. Cables transmit the pressure from one hand grip to the front wheel and from the other grip to the rear wheel. If equal pressure is applied to both wheels the braking action of this system is excellent, but obtaining this result requires a degree of skill not possessed by all chil-

dren. It too often happens that most of the braking is applied to the front wheel, flipping the bike so that the rider is thrown headfirst to the pavement. Hand brakes also add to the risk of severe injury by encouraging coasting with the weight suspended over the handle bars instead of back over the pedals.

In addition, parents considering the purchase of bicycles should ponder the availability in their neighborhoods of areas safe for cyclists. Physicians are reporting more fatalities and serious head injuries from falls, particularly from bicycle accidents, in the 5 to 15 age group than all other causes combined. Here are four suggestions for reducing the danger to your child:

1. Give more thought to matching the bike to the skill of the rider. Beware of hand brakes for younger children.

2. Provide a hard helmet, similar to those worn by motorcyclists, to be worn while bicycling.

3. Make certain that lights (the tail light in particular) are installed, maintained and used when your youngster rides in the darkness and/or time of poor visibility (dawn, dusk, rain, fog).

If your neighborhood does not provide safe areas for bicycling, consider the selection of a different gift.

Prepared and released as a public service by the California Medical Association.

APPLE-RAISIN COBBLER

4 cups sliced apples (about 4 medium)
1/2 cup raisins
1/2 cup sugar
1/2 teaspoon cinnamon
Dash of salt
1/2 cup water
1 1/2 cups Bisquick
2 tablespoons sugar
1/2 cup milk

Heat oven to 400°. Mix apples and raisins in square pan, 9x9x2 inches. In small bowl, blend 1/2 cup sugar, the cinnamon, salt and water; pour over apple mixture. Mix Bisquick, 2 tablespoons sugar and the milk. On lightly floured cloth-covered board, roll dough into 9-inch square; place over apple mixture. Bake 30 minutes or until crust is golden brown. 8 servings. "Cobbled up" in a hurry.

Gun Registration Of Federal Gov't. Is Detailed

The Gun Control Act of 1968 requires the registration, before Dec. 2, of machine guns, sawed-off shotguns, sawed-off rifles, silencers and deactivated war trophies as well as destructive devices, F.S. Schmidt, District Director of Internal Revenue for Southern California, said recently.

The law defines "destructive device" as:

1. Any explosive, incendiary, or poison gas bomb, grenade, or rocket having a propellant charge of more than four ounces,
2. Any missile having an explosive or incendiary charge of more than one-quarter ounce,
3. Any mine or similar device,
4. Any cannon, anti-tank gun, bazooka or other type of weapon which will or may be converted to expel a projectile by action of an explosive, the barrel of which has a bore of more than one-half

inch in diameter, except a shotgun or shot-gun shell.

A grenade or similar device, without powder or detonator, that has been kept as a souvenir is not required to be registered, since the necessary parts are not present to make it a destructive device.

Mr. Schmidt said anyone possessing a firearm or destructive device of

the type mentioned above, or having a question about a similar weapon, should contact the nearest Alcohol and Tobacco Tax or other IRS office for assistance.

The weapon or device should not be brought to the office.

HISTORY OF MISTLETOE

Mistletoe goes far back in history. The Druids called it "all heal" and believed that it had miraculous powers to cure disease and counteract poisons. According to information provided by researchers, the Druids found kissing under the mistletoe great sport, but believed it wasn't proper unless the sprig had been cut with a golden knife. Custom also demanded that one of the berries on the mistletoe be removed each time someone kissed beneath it.

An ancient Norse myth tells how the mistletoe got its berries. Balder, the God of light, couldn't be hurt by anything that grew on—or under—the earth. But his enemy, the evil god of Loki, found that mistletoe grew neither on earth nor under it, but on a tree! So he had Balder slain with a spear tipped with mistletoe. Balder was mourned by all creatures in heaven and on earth, including Freyja, the goddess of love. The tears she shed, according to the legend, became the pearly berries of the plant, and it is said that this is the reason that mistletoe symbolizes love.

1969 Is On the Way, Whether Ready Or Not

Ready or not, here comes 1969. We might as well rush out to meet it with a joyous party—eggnog and all the trimmings. There'll be time enough next year to fret about the holiday avoidrups and to get the family budget back in condition.

Today's delicious dairy egg-nog eliminates all that stirring and mixing. Keep it chilled, pour it into a large bowl and sprinkle lightly with nutmeg. It's ready to serve.

Teacher Uses New Technique To Prepare Head Start Students

Puppets, magic wands, and masks help bring 15 shy, rejected four-year-olds out of the shells they have built around themselves.

Mrs. Jill Boyd, a Head Start teacher at the Mission elementary school in Ontario, is using creative drama to prepare her underprivileged students for elementary school next year.

Majoring in English and minoring in drama at California State Polytechnic College, Mrs. Boyd believes creative drama can help her students develop the identity, self-confidence and imagination these children need to succeed in school.

"Most of the children in my class are shy and seldom talk," Mrs. Boyd said. "When they do talk, it is usually not in full sentences."

"When you ask them who they are, they really don't know," she said. "All their lives they have been shoved around and told to shut up. They have no idea that they themselves are persons."

"They have never seen those things that help develop an imagination such as magazines, newspapers and books. They are seldom talked to at home, thus some are shy and unable to speak in full sentences."

She recalled that she became interested in Head Start last year while

doing substitute teaching in a pre-school class in the Ontario-Montclair elementary school district. She said she felt what she had learned in her drama classes could be applied to help these children.

Using hand puppets and a magic wand that will transform the children into any character they want to be, the 22-year-old senior enables the children to assume roles and creatively express themselves.

"Some of the children are so shy that they cannot talk unless they have a puppet in their hands," she said. "Using a puppet, and talking through it, they can find themselves."

The second phase of her creative drama program is conducted with a magic wand.

Clutching a special magic wand that will transform them into anything, the smallest boy in class may suddenly become a huge gorilla, or the little silent boy in the corner may start to communicate.

Mrs. Boyd hopes that eventually she will be able to read a story to the children and have them act it out in their own words.

She is currently drawing up a lesson plan for future Head Start creative drama programs as a final paper for her ad-

vanced dramatics class. When Mrs. Boyd graduates from Cal Poly in December, she intends to continue in the Head Start program.

"Pre-school is one of the most rewarding fields in which to work, she said. "We are reaching the child at a vital age. We are reaching a child before he feels defeated."

"While a large kindergarten class limits the amount of time a teacher can spend with a child, we try to give each child individual attention," she said. "We try to make them feel important — make them see themselves as persons."

A graduate of Redlands high school in 1964, Mrs. Boyd is the daughter of Mr. and Mrs. Walt Anderson, 207 W. Cypress, Redlands. She and her husband, Dan, a Cal Poly senior majoring in civil engineering, reside at 919 N. Eleanor, Pomona.

While attending Cal Poly she has been a character vice president of Sigma Phi Delta service club. She has appeared in such campus productions as Richard III and Look Homeward, Angel. She also directed the play, The Lover.

Norton Base Commander Awarded Legion Of Merit

Col. Oliver W. Lewis, recently named Base Commander of Norton Air Force Base, was awarded the Legion of Merit there last week. The same ceremony saw three officers of the 14th Military Airlift Squadron also decorated for their accomplishments in Southeast Asia.

Colonel Lewis earned the Legion of Merit while serving as commander of the 355th Combat Support Group, at Takli Royal Thai AFB, Thailand, in 1967-68. He won recognition for his active support of the Air Force community relations programs which enriched the lot of the local villages. "In this important assignment the leadership, exemplary foresight and ceaseless efforts consistently demonstrated by Colonel Lewis resulted in significant contributions to the combat mission in Southeast Asia. Colonel Lewis' interest in the Civic Action Program and community projects enhanced greatly the exceptional rapport with the host country," read the citation accompanying the award.

Maj. Thomas L. Wickstrom, returned recently from Thailand, was decorated with 17 medals, topped by the Silver Star.

The master navigator, from Huntington Beach, won the Silver Star for participation in a hazardous armed reconnaissance. As the co-pilot and navigator he was instrumental in destroying 22 enemy supply trucks in the face of heavy ground fire. The citation reported he located and destroyed a number of enemy gun positions.

Major Wickstrom earned the second oakleaf cluster to the Distinguished Flying Cross when he "flew nine unique and hazardous missions" as a navigator in a UC-123 aircraft. According to the citation, "his willingness to place mission results before personal safety aided in the destruction of 27 active gun positions, and so demoralized hostile artillerymen in the area as to render their efforts ineffective."

The Air Force Commendation Medal was awarded him for meritorious service as Special Projects Training Officer at Nakhon Phanom Royal Thai AFB, Thailand. For his successful aerial accomplishments in Southeast Asia he was decorated with the first through 14th oakleaf clusters to the Air Medal.

Capt. Dan C.F. Nelhaus

won the Distinguished Flying Cross as an F-4D fighter pilot. On a mission with three other fighters over North Vietnam the American flyers attacked one of the most heavily defended targets in North Vietnam. The citation explained, "Disregarding intense anti-aircraft fire and surface-to-air missiles that passed about and directly through his flight, Lieutenant Nelhaus homed directly on the target and contributed in inflicting great damage to it."

His flying accomplishments earned him also the first through 12th clusters to the Air Medal.

1st Lt. Richard P. Pradel distinguished himself as a C-123 co-pilot near DaNang AB, Vietnam. The citation accompanying his Distinguished Flying Cross read, "During approach to the field, which was conducted at a low altitude and in marginal weather, Lieutenant Pradel's aircraft received intense hostile ground fire, in this extraordinary environment he kept the aircraft's position determinedly fixed, and made the necessary preparations for a proper landing."

Pomona Valley Student Musicians Invited To Compete

Fifty dollars in cash and presentation in recital will be awarded the winning music students in the Walker Memorial Contest to be held in Pomona in March, 1969 sponsored by the Musicians' Club of Pomona Valley.

Students of piano, organ, orchestral and band instruments and classical guitar age eleven through high school, and vocalists age fourteen through twenty-five, who are living or studying in the Pomona Valley, are invited to compete.

Information and application blanks for entry in the contest may be obtained from the Walker Contest chairman, Yvonne Gordon, 237 West 12th st., Claremont 91711. Telephone 624-7344.

Wisconsin is the leading state in milk production, producing 18.5 billion pounds, 15.6% of the U.S. total, in 1967.

sent the 24th annual consecutive presentation of Handel's immortal masterpiece, "The Messiah," Sunday, Dec. 15, at 4 p.m., in the Gardiner Spring Auditorium, Chaffey high school, at Euclid ave. and 4th st., in Ontario. The concert will be conducted by S. Earle Blakeslee.

With a total number of participants limited to 100 the Christmas on Euclid Avenue Committee is inviting members of the Foothills Ontario Society and all other qualified vocalists to apply for vacancies in the chorus.

The soloists will be selected from the leading artists available in Southern California, with the accompaniment provided by a symphony orchestra, grand piano, and the Chaffey pipe organ.

Rehearsals are set for Tuesday nights, at 7:30 p.m. in the high school choral room located in the southwest corner of Spring Auditorium. (The best access is through the main parking lot on west 4th street.) Subsequent rehearsals in the same location. Final dress rehearsal with orchestra will be on Thursday, Dec. 12.

Norton Airlift Academy Graduates 6 From Area

Norton Air Force Base's second Military Airlift Command NCO Academy class--and the academy's 102nd--matri-culated last week at the Norton campus.

Six students from Norton organizations included Master Sergeants Eugene J. Yuvulla (correct), 631st Organizational Maintenance Sq., and Raymond G. Chicoine, 15th Military Airlift Sq.; and Technical Sergeants Gary C. Eischen, 63d Air Base Gp., Ronald J. Weyer (correct), 63d Civil Engineering Sq., and Eulas O. Brown and Russell H. Sheppard, 63d Aerial Port Sq.

Breakdown of the 119 students attending the

class from MAC units throughout the world reveal four senior master sergeants, 20 master sergeants, 78 technical sergeants and 17 staff sergeants enrolled.

Major commands other than MAC represented in the class include Air Force Communications Service, Air Training Command, Air Force Reserve Command and Air Force Systems Command.

Scheduled for graduation December 20, the NCOs have trekked to Norton from bases in Hawaii, England, Japan, Bermuda, the Azores and the Republic of the Philippines.

"Breathless" Set To Show At Chaffey

ALTA LOMA - As a favor to cinemaniacs who like their films far out and forward, Chaffey College will show "Breathless" at 8 p.m., Nov. 22, in the little theater.

Featured will be a Jean-Luc Godard avant-garde screenplay adapted from a Francois Truffaut story. It's all in French which enables students to brush up on the language or cheat by reading the subtitles in English.

Heritage film coordinator Robert Smith commented that "Breathless" ("A Bout Souffle") leaves audiences gasping. "That's because so little is lost in the translation," he said.

The running time is 89 minutes. There will be also a short film on the program called "Sky-scraper."

Admission is free.

Turnpikes

Control of early American highways was given to the individual states, which levied tolls for their maintenance. Toll houses were equipped with long pikes to stop travelers for the collection of tolls and, after collecting the fees, the gatekeeper turned the pike. The roads thus came to be called "turnpikes."

63rd Wing Passes Combat Airlift Test

NORTON AFB, CALIF. The first period of "schooling" for the 63rd Military Airlift Wing at Norton Air Force Base has ended and the Wing has passed its tests "with flying colors." As a result, Brig. Gen. Arthur W. Cruikshank, Jr., 22nd Air Force vice commander, was moved to remark, "...the 63rd is one of the finest wings in the Military Airlift Command."

Wing personnel reacted to their first Operational Readiness Inspection (ORI) here somewhat differently than Rock Hudson in the movie "Strategic Air Command," but were no less serious as they sought to prove their combat airlift capabilities. Its commander, Brig. Gen. Louis G. Griffin, expressed the opinion that the fine teamwork that was exhibited by all segments of the Wing was responsible for the successful showing which resulted. He is now convinced that his officers, airmen, and civilians will be able to face any further tests or tasks with confidence.

The ORI is designed to evaluate a unit's capability to perform its wartime mission and to func-

tion as an effective team under realistically simulated wartime conditions. These evaluations include the testing of the unit's ability to continue its mission following combat damage, natural disasters or peacetime accidents.

ORI team chief, Col. Leon S. Orser, Jr., highlighted the accomplishments of the Wing in his closing critique. These included the 117-yard average circular error figure on cargo and personnel drops, engine running off-loads, setup of C-141 in aeromedical configuration, simulated nuclear loading exercises, Security Police activities, flight crew and cargo support by aerial port personnel.

All of the inspectors were impressed with the Wing's positive thinking, its professionalism and its "can do" attitude.

Col. Orser concluded that the Wing was rated satisfactory overall and capable of performing its assigned mission. He stated, "The 63rd Military Airlift Wing is a fine organization and every one of you has every reason to be proud of being a part of it."

Santa Claus Dinner Planned For Dec. 6

SAN BERNARDINO--A gala dinner and lavish luncheon staged by Santa Claus, Inc., of San Bernardino will top the list of events scheduled during December at facilities on the National Orange Show grounds in San Bernardino.

The Santa Claus dinner is planned Friday night, Dec. 6, preceding the next day's luncheon, which has become one of the leading social events of the Inland Empire during the holiday season. Both functions will be in the cafeteria.

A number of holiday parties are scheduled, also for the cafeteria. These include Air Stream Trailers and the Immaculate Conception Church, Dec. 8; Servomation Corp., Dec. 13; Knudsen Dairy, Dec. 18; Penn Military Academy, Dec. 20; Bourns Laboratories, Dec. 21; Weyerhaeuser Co., Dec. 22; the LDS Church, Dec. 27; and Gay Annes, Dec. 28.

Another major event scheduled for the cafeteria is the San Bernardino Trade Club dinner on Thursday, Dec. 19.

Heading the list of functions to be held in the National Orange Show Dome building is the fashion show sponsored by the Socialite Sociable and Charitable Club on Dec. 6. The Five Watt Wizards will appear in concert on Dec. 8, the Kaiser Steel Fabricating Plate Shop Christmas party is Dec. 14 and the Good Time Assn. teen-age dance is set Dec. 24.

The Roller Games will be held each Saturday night in the Feature Exhibits building, while four concerts are scheduled in Swing Auditorium as follows: Young Rascals, Dec. 7; Scenic Sound, Dec. 14; Glen Campbell, Dec. 20; a rock and roll concert on Dec. 27.

'Dark Of The Moon' On Stage At Chaffey

ALTA LOMA — A drama rooted in American folk lore will be staged at Chaffey College, Dec. 5, 6, 7, with curtain at 8:30 p.m.

The play is "Dark of the Moon" by Howard Richardson and William Berney. Directing the Chaffey presentation in the little theater will be Ralph Strane.

"Dark of the Moon" is a study in moods, a combination of melancholy shadows and comic sparkles. The story-line, based on a folk ballad, concerns the romance between a fickle village beauty and a witch boy. The setting is a village in the Great Smoky Mountains, populated by conjurers of both sexes and witches characterized by a fixation for either the dark or the light. A hard-core parson figures also in the scene and serves as a target of opportunity for a calcu-

lated swat at Puritanism in general.

In the roles of the legendary Barbara Allen and the witch boy who would become human to qualify as her suitor will be Carol Springer of Upland and John Orozco, Corona.

Other principals will be Victor (Skip) Dominick and Marcy Chilton, both of Upland, Steve Mintz of Claremont and Ed Kuntz, Fontana.

Others in the large cast will be Don Bishop and Margret Aufet, both of Fontana; Toby Applebay, San Dimas; Karen Wheelton, Ontario, and Rion Strane, Cucamonga.

There will be an admission charge of \$1.

Conservation Center In Chino Plans Art Festival

The Department of Corrections staff and inmates of the Southern Conservation Center at Chino will present their First Annual Festival of Arts on Saturday and Sunday, December 7th and 8th, between the hours of 9 a.m. and 3 p.m.

The men assigned to this facility and its branch conservation camps are involved in an extensive program of fire prevention, fire fighting and conservation. Many of them are quite artistically inclined and in their spare time have produced some outstanding work for display and sale.

The "Ontario Artists",

as well as other local community organizations are assisting to make this show a success by displaying their artistry and cooperating in the overall production.

The show will be held inside the Center Auditorium and will include hundreds of items for display and sale, including oils, pastels, mosaics, sculpture, jewelry, plastics, leather goods, copper, manzanita tables and lamps, and assorted items of a Christmas gift nature.

The Department of Corrections and California Division of Forestry

share in the responsibility for the management and operation of the Conservation Camps and a special feature of the Festival will be a display of equipment.

SCE To Present Color Documentaries

"Down to the Sea in Ships," an exciting hour-long color documentary appearing on television next month will be co-sponsored by Southern California Edison Co., it was announced today.

It will be the first in a series of four prime-time specials to appear on NBC-TV between December and May, according to Edison Upland Manager C. G. Shores.

To be aired Wednesday night, December 11 at 10 o'clock, "Down to the Sea in Ships" is a spray-whipped ode to men, ships and the deep waters that made them or claimed them.

Narrated by Burgess Meredith, the hour Special captures the aura of mystery and romance which has surrounded

man and the sea since oceans first became his province.

Historic films of clipper ships challenging deadly Cape Horn and panoramic shots of today's superliners dramatically contrast the rugged ways of seafaring with the science of modern navigation.

Consisting of two Project 20 and two Special Projects programs, the four telecasts will focus on the cultural heritage of modern man and the people and events which have influenced the course of 20th Century thought and action.

Each Special will preempt regularly scheduled NBC-TV shows and will be co-sponsored by Southern California Edison and the national Elec-

trical Companies Advertising Program (ECAP), Shores explained.

The second program, "Down on the Farm," will appear Saturday, Jan. 25, at 7:30 p.m. On Sunday, April 6, Edison will present "The Ship That Wouldn't Die -- The USS Franklin," followed by "Mirror of America," on Sunday, May 11, the final program in the series.

HAPPY HOLIDAY SEASON

Holiday Pleasure From Carton Cutouts

In our mod, mod world, fun and happiness aren't necessarily measured by monetary cost. You don't have to rob a bank or dig buried treasure to put Christmas-morn sparkle in little tot's eyes. A great many pleasures in life are still free, free, free.

For a beginning, start with companionship. Get the family together... do something together... a better still, make something together.

Edible or ornamental, the handwork will have greater value to parent and child because each contributes to the creation. Making a decoration to shine brightly on a tree, wrapping a package gaily... these may not launch space-ships but they help weave fabric from which the character of tomorrow's spacemen is cut.

For a suggestion, collect the clever cutouts from folders to be found free in cartons of Coca-Cola, Sprite and Fresca. A chorus of angels, toy soldiers, birds and a host of other Christmas decorations will take shape for tree, door, table and mantel. Little fingers can assemble in a flash. Gift tags and gummed seals will fancy up the gift wrapping with a snip of the scissors.

To refresh the busy creators, why not try an easy-to-make, easy-on-the-budget punch. Taste-wise, this one equally

cheers tree-trimmers, partying poppas and mammas, and starry-eyed moppets.

ARCTIC GREEN PUNCH
1 quart lime sherbet (beat until creamy if desired)

2 cups of fresh or bottled lime juice
6 cups of water
1 cup of orange juice
6 bottles of Fresca (10 oz. each), well chilled

Adults-Youths Talk Current Problems At Y

Some 16 high school students from 11 local Hi-Y and Tri-Hi-Y Club groups presented bills to an adult panel during the YMCA Youth and Government Bill Hearing Wednesday and Thursday nights on Nov. 20, 21.

Bill topics presented concern such current issues as gun control, abortion, narcotics, draft age, national elections based upon popular vote, child neglect, teacher tenure, and the term of office for the Board of Regents.

The Bill Hearing is the part of the Youth and Government program that selects a bill and the local representatives for the Model Legislature to be held in Sacramento in late January. The Ontario-Upland 'Y' will have eight delegates, six AFS students, and three adults going to Sacramento.

The adult panel to evaluate the bills and presentations is composed of Wink Edgar, Alex Tobin, Bob De Giamasso, Charlene Rehkop, Jacqueline Peterson, and Evelyn Clarke.

Students presenting bills will be Anne Stevens, Stephanie Cruz, Pam Zmolek, Anna McKay, Joan Evans, Carla Bartlett, Sharon McDonald, Cindy Garrison, Cyndy Pettik, Chris Clark, Debbie Presto, and Nancy Runner from Chaffey high school; Carl Bruce and Jim Connery from Ontario high; and Laurie Gardner and Colleen Collins from Upland high.

Each student was given 15 minutes to present his bill, present favorable arguments, and answer questions from the adult panel. Judging will be based on delivery, persuasion, supporting data, and knowledge of bill topic.

I WON? — Robbie Kluck of Grand Terrace can't believe his eyes as Citrus Sam proffers a check for \$100 as the prize for winning the National Orange Show's annual Theme Contest. His slogan: "Citrus Serenade." It will serve as the theme for the 54th Orange Show next March 6 through 16 in San Bernardino. Robbie was one of 57 persons who submitted "Citrus Serenade," but his was postmarked first.

Cal Poly Lists Local Students

Several youths were among 335 students of Cal Poly, Pomona, who were placed on the Academics Honors List for the summer quarter of the 1968-69 school year.

To be eligible for the honor, a student must be enrolled as a regular student carrying 12 units or more, and must achieve a 3.0 (B) or better grade point average.

Included were Sharon E. Knarr, Joann I. Smith and Nancy Wright of Alta Loma; Mary A. De Ambrogio and James DeJournett, Cucamonga.

Upland residents receiving the honor were

Douglas C. Bartlett, Russell R. Burnett Jr., Jeffrey Davis, Lynn D. Dunston, Jean S. Ellis, Connie E. Gabbert, Wayne Hesselbacher, Russell J. Moore, Winston D. Villocino, Neil Warner, Terry Watkins, John P. Yatsko Jr. and Nancy Young.

Alta Loma high open house and P.T.A. membership drive was held Nov. 13 at 7:30 p.m.

There was a brief message given by Burton Wiley, principal of Alta

Loma high. Mrs. Sam Murray, P.T.A. president gave a small talk and welcomed the parents. Following the speech the Alta Loma high band played several selections.

Parents and friends then toured class rooms and returned to the cafeteria for refreshments hosted by the P.T.A.

The membership drive is still open and the P.T.A.

membership chairman would like the envelope returned soon as a gift of \$50, goes to the class with the most memberships for their treasury.

New Medallion Homes Set For Alta Loma

Construction is now under way on the second increment of Medallion Award-winning homes--Alta Loma North--in the foothill community of Alta Loma, according to M.E. Horsley, Southern California Edison Company district manager.

The 94-unit residential project is located at the intersection of Beryl St.

The single-story units will have up to five bedrooms and range in size from 1,680 to 2,350 square feet of living space.

Highlight of each home will be an all-electric U-shaped kitchen with built-in range, double oven, waste disposal and automatic dishwasher. Also included will be a giant pantry, a breakfast bar

and glareless luminous ceiling, Horsley said.

Interior features include a formal living room free from through-traffic, a spacious family room, fireplace, drapes, carpeting and a separate laundry room in the bedroom wing of the home. The laundry room is wired for electric washer and dryer, he noted.

The exteriors of the California, Colonial, Mediterranean and Ranch-style homes will be enhanced by front yard landscaping and rear yard fencing.

Designed by Frank Gonzales & Associates, Alta Loma North homes are being developed by Home Construction Company.

Everybody Likes Turkey Sandwiches

Many people maintain that they roast turkey for the joys of eating turkey sandwiches. Others say the same thing about stuffings, exclaim over the pleasures of the stuffing, both hot and warmed over. Turkey sandwiches are our meat!

From skyscraper sandwiches to single-layer, open-face treats, nothing beats turkey! The secrets are its natural ability to mix and match flavorfully with other meats, cheeses, fruits, vegetables, spreads, breads and unlimited special concoctions, and its confident appropriateness for every sandwich occasion. Make these with buttered, toasted bread, with hamburger rolls or English muffins for knife-and-fork sandwich eating at its best.

Top with any of the following combinations, adding each ingredient in the order given, and broil until hot and bubbly:

—Deviled ham spread, turkey and tomato slices, grated cheese.

—Turkey and tomato slices, semi-broiled bacon, grated cheese.

—Turkey slices, cooked broccoli spears, cheese sauce.

—Thin slices jellied cranberry sauce, turkey slices, drained peach slices, spoonful mayonnaise (not salad dressing).

—Creamed turkey, cheese slices, semi-broiled bacon.

For an easier method of completely removing the strings from green beans, try this: After thoroughly washing, plunge the beans into boiling water for five minutes, and drain. The strings can then be removed readily.

Make a quick and attractive salad by rolling the edge of a pineapple slice in mayonnaise and then in chopped nuts. Fill the center with fresh fruit, cottage cheese or cream cheese balls.

When water freezes, it increases its volume by 1-1/11th. This means that when 11 cubic inches of water freeze, 12 cubic inches of ice are formed. Thus ice is lighter than water and will float in it.

If you boil potatoes from five to 10 minutes before popping them into a hot oven to bake, they will be done in about one-half the usual time.

For a tasty yet inexpensive supper treat, spread leftover baked beans on buttered slices of brown bread. Top with bacon and broil about ten minutes. Serve hot.

Try laundering lace tablecloths, fine lingerie, or cutwork by placing them in a mesh bag before putting them into your washing machine, suggests Family Circle Magazine.

To keep waxed flowers looking fresh, dip them in alcohol and rub each petal lightly with a small paint brush, or a cotton ball that has been dipped in the alcohol. This gives them a fresh new look.

Want your pie to have a shiny top crust? Beat up an egg with a tablespoon of cold water and brush the mixture over the pastry before the pie goes in the oven.

Thanksgiving

The most American of holidays.  *A day that gives us an opportunity to put aside our troubles, and give thanks*  *for our many blessings.*

Let us be thankful that we can learn, build, give, beautify  *and make more productive the American way of life.* 

Today let us enjoy the turkey  *and fixin's . . . yet take the time to give a heartfelt prayer of thanks for such bounty.*

A happy thanksgiving to you all.

Dear Debby

Dear Debby: Maybe you can advise me what to do about a pet gripe of mine. Almost all cars manufactured now-a-days neglect to put a chrome strip along the side of the car to protect the paint from other car doors in parking lots. Consequently my car looks as if a flock of woodpeckers have been working on both sides. What can I do to get Detroit to bring back the chrome strips?

Disgruntled
Dear Disgruntled: If enough people write to the manufacturers, or perhaps to Ralph Nader, then maybe something can be accomplished, otherwise, you might hang out rubber fenders, as they do on boats.

Upset
Dear Upset: You can bring your own hanger, or if there is a tall piece of furniture in the room, hang the pants by the cuffs, from the top drawer (close drawer on pants cuffs) or remain standing all night.

Shorty
Dear Shorty: You might try "Elevator shoes," but if this still doesn't look right, then have your girlfriend wear low heels, and walk on her knees.

GOOD RECORD -- John Hulla, district director of loss control engineering at Kemper Insurance, presents George Janesick, General Telephone division manager, with plaque commemorating a "no lost time" record for over 1,000,000 man hours on the job by General employees. The no lost time record is continuing without an injury by any of the 380 employees working under Janesick's supervision.

Valley Musical Group Slates Benefit Musicales

To usher in the Christmas season, the Covina Alumnae Chapter of Sigma Alpha Iota, an international honorary music fraternity for women, cordially invites the public to an Advent Benefit Musicales. This concert will be held on Sunday, December 1, at 8 p.m. in the Delhaven Christian Church, 15302 E. Francisquito ave. in La Puente. Sigma Alpha Iota was incorporated on the University of Michigan campus on December 1, 1904. This program of Christmas music is in commemoration of that special day and for the benefit of the International Music Fund. Although the musicale is open to the public without charge, an offering will be taken and

contributed to the many services processed through IMF such as: scholarships, aid for musical therapy, musical instruments for students, work with musical Braille and other worthwhile endeavors. Covina Alumnae Chapter is proud to have received national recognition for their consistently high-level programming this past year. Fifteen outstanding professional musicians from the greater San Gabriel Valley will participate in this special event. A chapter choral ensemble will present three groups of music under the capable direction of Lois Wells, Miss Wells is on the faculty of Rio Hondo Junior College in Whittier and

is well-known throughout the southland for her work in music education and choral workshops. Members representing the chapter in this group are: Blanca Buckingham, Marjorie Farris, Louise Jones, Roberta Lamoureux, Sarah Mason, Mary Maude Moore, Ann Roberts, Carol Schuricht, Jane Stannard, and Reta Stevens. The music chosen by Miss Wells is mostly familiar Christmas tunes set in a new and excitingly different way. Mrs. Mason, noted soprano from Claremont, will sing a song cycle of "Three Mystical Songs" by Rowley. She graduated from Indiana University and is a public school teacher. Alberta Hurst, from Monrovia, will perform "Arioso" by Bach and "Minuet" by Schubert on the Tenor Violin. Also heard as instrumental accompanists will be: Mary Moffatt, flutist from Upland and Jacqueline Stong, clarinetist from Azusa.

A reception for all in attendance will be held immediately following the concert.

Viriden, Ill.; and nine grandchildren and four great-grandchildren.

A memorial service was held at Hillcrest Homes Chapel, LaVerne. Friends may make memorial contributions to the LaVerne College library or the Hillcrest Homes infirmary.

BANDWAGON

by Eric Olsen

BANNERETTES OF THE WEEK—The two Bannerettes featured this week are shown above. Nancy Landaal is on the left and Chris Pence is pictured on the right.

Two weeks ago the active marching season closed with the last home game for the Bonita football team. The Bannerettes will have relatively little to do until the parade at Covina, during the Christmas season, when the Bonita Bearcat Band starts the rehearsals for marching again. Those that play other instruments will play in the concert band until it's time to get out the uniforms again! Two girls with nothing to do for the next few weeks are Chris Pence and Nancy Landaal.

Chris Pence was born in Frankfurt, Germany on March 20, 1951. At that time her parents were helping in the rehabilitation after World War II. At the age of one and one-half, Chris and her parents came home on the Queen Mary. She started kindergarten in LaVerne and has gone all through school in the Bonita district.

At school Christ is a Senior Class Representative, a member of the C.S.F., and she also sings in Madrigals. She likes sewing, fashions, decorating, and sewing her own clothes. She likes most types of music, especially Simon and Garfunkel. Two of her favorite activities are staying up late and getting to sleep in, in the morning.

Two of her dislikes are not having enough time to do what she wants and being bored. After graduating from Bonita, Chris plans to go to LaVerne College and live on campus in the dorm. She is considering becoming a dental assistant. "I enjoy Bannerettes, putting on half-time shows and marching in parades," says beautiful Chris Pence.

Nancy Landaal was born in Riverside. At the age of one, she moved to Pomona. When she turned 2 and 1/2 she came to LaVerne with her wit and charm. Ever since then Nancy has lived in LaVerne. She enjoys her activities as a Bannerette, especially making up new routines. This banner-carrier likes fashion and sews most of her own clothes. She is a member

Poly Students Honors List

LA VERNE - SAN DIMAS—Several local students were among the 335 enrollees of Cal Poly, Pomona, who were placed on the Academics Honors List for the summer quarter of the 1968-69 school year.

To be eligible for the honor, a student must be enrolled as a regular student carrying 12 units or more, and must achieve a 3.0 (B) average grade point.

Included were Wesley L. Davis, Tony Finazzo, Donald J. Fusco, Jeremiah Holland, Don M. Kittilsen, Regina C. Kittilsen, William R. Smith, Darrell Winterbourne and John M. Wright, La Verne; Clark S. Grubb, Barbara A. Henderson, Mary K. Mittag and Cynthia A. Rogers, San Dimas.

When it comes to decorating at home, why not keep it simple. It's surprising what just a few well-placed lights and ornaments can do. Pace yourself, try to be calm. The Christmas holidays were meant to be enjoyed. If you plan your schedule, organize your family, and conserve your energy, there's no reason why you shouldn't have a merry holiday season.
